1. Keep records of all Occupational Safety and Health Administration (OSHA) recordable work-related injuries and illnesses that occurred at the establishment(s) included in the PDF throughout calendar year *[Survey Year]*.
2. Use separate forms for each establishment. OSHA forms are available here: <http://www.bls.gov/respondents/iif/forms/oshiforms.pdf>
3. In addition, please record the race and ethnicity of your injured or ill workers.

At the beginning of *[Survey Year + 1]*, we will send you instructions on how to submit this information to us.

Why should I participate?

Without the cooperation of organizations like yours, there would not be national estimates of workplace injuries and illnesses for state and local governments. Your efforts will allow policy officials and public health professionals to improve the safety of America's workers. Your participation is greatly appreciated.
