Select Subgroup:

Building Portfolio

Number of buildings in your portfolio*:

*Include managed and franchised space, if applicable.

Total square footage of portfolio:

Percentage of portfolio that is third-party managed:

Percentage of portfolio that is franchised:

Energy Considerations

Do you track the energy use of your buildings via tools such as Portfolio Manager?

- Yes
- No

What are your organization-wide energy-savings goals? [For example, portfolio-wide savings of 10% over 2010 baseline; annual EUI improvement goals; Portfolio Manager score targets] If you do not yet have organization-wide energy savings targets, please explain any future plans to set such goals.

What are the primary challenges you currently face in meeting your goals?

Alliance members are encouraged to share strategies for success. Have you

overcome any efficiency barriers that you believe other Alliance members face? If yes, please describe. If you have additional information/files you would like to send, please attach and send in an email to BBA@ee.doe.gov.

Members are required to participate in at least one Solutions Team. Please indicate your choice below.

- [Space Conditioning](#)
- [Refrigeration](#)
- [Plug & Process Loads](#)
- [Energy Management Information Systems](#)
- [Renewables Integration](#)

May we use your company logo on posters and other printed material for reports and presentations? Yes No

If we have permission to use your logo, please provide contact information for someone who can provide a high-resolution (300 dpi) version of logo.

As an authorized representative of my organization, I agree to the Terms set forth above and request to join the Alliance.

Authorized Company Representative:

This data is being collected to support the Department of Energy Better Buildings Initiative. The data you supply will be used for developing best practices to facilitate reductions in energy intensity by commercial, manufacturing, and community organizations.

Public reporting burden for this collection of information is estimated to average 0.25 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Office of the Chief Information Officer, Enterprise Policy Development & Implementation Office, IM-22, Paperwork Reduction Project (1910-5141), U.S. Department of Energy, 1000 Independence Ave SW, Washington, DC, 20585-1290; and to the Office of Management and Budget (OMB), OIRA, Paperwork Reduction Project (1910-5141), Washington, DC 20503.

Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a currently valid OMB control number.

Submission of this data is voluntary.
