PRIVACY THRESHOLD ANALYSIS (PTA)

The PTA is a compliance form developed by the Privacy Branch to identify the use of Personally Identifiable Information (PII) across the Department. The PTA is the first step in the PII verification process, which focuses on these areas of inquiry:

- Purpose for the information,
- Type of information,
- Sensitivity of the information,
- Use of the information,
- And the risk to the information.

Please use the attached form to determine whether a Privacy and Civil Liberties Impact Assessment (PCLIA) is required under the E-Government Act of 2002 or a System of Record Notice (SORN) is required under the Privacy Act of 1974, as amended.

Please complete this form and send it to your program Privacy Liaison Officer (PLO). If you have no program Privacy Liaison Officer, please send the PTA to the HUD Privacy Branch:

John Bravacos, Senior Agency Official for Privacy
Privacy Branch
U.S. Department of Housing and Urban Development

privacy@hud.gov

Upon receipt from your program PLO, the HUD Privacy Branch will review this form. If a PCLIA or SORN is required, the HUD Privacy Branch will send you a copy of the PCLIA and SORN templates to complete and return.

SPECIFIC PTA QUESTIONS

<p>To improve the quality and standardize the counseling that HUD approved counseling agencies provide, HUD implemented a Housing Counseling Training Program in 2006. The Housing Counseling Training NOFA requests rating factors responses, forms, and supporting documentation used by HUD's Office of Housing Counseling to rank applications submitted through Grants.gov. The collection allows HUD to evaluate and select the most qualified applicant(s).</p> <p>HUD 92910 - Applicants must provide completed Housing Counseling Training Charts as a required part of their application submission. There are six charts in this spreadsheet that must be completed in their entirety in order for applicants to receive full points. The completed charts and exhibits along with the narratives will constitute the basis for evaluating the application. The form provides additional information on each of the application Rating Factors.</p> <p>HUD-2880 – applicants only complete sections 1-5 and the certification.</p> <p>SF-424 - budget information for the training proposal</p>

¹ Informational and collaboration-based portals in operation at HUD and its programs that collect, use, maintain, and share limited personally identifiable information (PII) about individuals who are "members" of the portal or "potential members" who seek to gain access to the portal.

² HUD defines personal information as "Personally Identifiable Information" or PII, which is any information that permits the identity of an individual to be directly or indirectly inferred, including any information that is linked or linkable to that individual, regardless of whether the individual is a U.S. citizen, lawful permanent resident, visitor to the U.S., or employee or contractor to the Department. "Sensitive PII" is PII, which if lost, compromised, or disclosed without authorization, could result in substantial harm, embarrassment, inconvenience, or unfairness to an individual. For the purposes of this PTA, SPII and PII are treated the same.
