Re: Comments on DFC’s Application for Debt Financing (DFC-003)

Dear Interested Civil Society Organizations and Practitioners:

This letter presents the Overseas Private Investment Corporation’s (OPIC) response, on behalf of the U.S. International Development Finance Corporation (DFC), to comments of the Interested Civil Society Organizations and Practitioners (see Attachment A) pertaining to the OPIC Federal Register notice, titled “Submission for OMB Review; Comments Request” related to DFC’s Application for Political Risk Insurance (Form DFC-003), published on March 22, 2019.

In your letter of May 20, 2019, you requested that OPIC/DFC:

- 1) Edit Question 5 to provide the agency an understanding of how the potential investor will plan, monitor, and implement the project to avoid harm to the U.S. economy, employment, and project affected communities in consultation with project-affected communities, and how the project will provide access to remedy for project-affected communities in case of negative impacts.

OPIC/DFC Response: OPIC/DFC agrees and will make the requested edits.

- 2) Incorporating the Investor Representations from the OPIC-52¹, and if so incorporated, make additional changes to the Investor Representations section.

OPIC/DFC Response: OPIC has evaluated the efficacy of asking applicants to provide such information in our forms vs. determining the answers via our extensive character risk due diligence utilizing independent information sources, which include IFI debarment lists. We have found that the independent due diligence process is more effective in uncovering information on these important topics than attempting to collect such information through the form. Therefore, adding this requirement is unnecessary.

¹ Expiration 8/31/2021.
