Instructions

The information in this form is used by companies that are interested in connecting with potential investors through DFC's Aligned Capital Program. The Aligned Capital Program is designed to align development finance and investment with other capital, including philanthropic, socially responsible and impact investment, to enable effective deployment of that capital towards projects in the countries and sectors in which DFC works. This program is independent of DFC's other programs. Participation or non-participation will have no bearing on existing or pending applications with DFC.

Information provided on this form will be automatically shared with any potential investors that have completed an Aligned Capital Investor Screener indicating that their interests are a match with your proposed project. These potential investors may choose to contact you, but are not obliged to do so.
