## **Application Form** (Part B)

TITLE OF RESEARCH PLAN :	
<ol> <li>Provide two-digit classifications of your proposed research according to the classification page 7:</li> </ol>	ı system list on
Primary code Secondary areas	
2. It is normally desirable to select an institution different from where you received your downere you are currently employed; please provide justification (on separate sheet) if your fellowship institution is the same as either of the above. It is not necessary to provide just been currently employed at your proposed fellowship institution for less than one year an received your doctoral degree; if that is the case, please check here:	r proposed tification if you have
3. Do you plan to use the Fellowship for 18 academic months full-time? or the Instructorship for 9 months full-time and 18 months half-time? If half-time, have you secured a suitable commitment for a teaching position at your host Yes No	institution?
4. Specify the area of mathematical science(pure mathematics, applied mathematics, statistic research:	cs) for your proposed

The information requested on proposal forms and project reports is solicited under the authority of the National Science Foundation Act of 1950, as amended. The information on proposal forms will be used in connection with the selection of qualified proposals; and project reports submitted by awardees will be used for program evaluation and reporting within the Executive Branch and to Congress. The information requested may be disclosed to qualified reviewers and staff assistants as part of the proposal review process; to proposer institutions/grantees to provide or obtain data regarding the proposal review process, award decisions, or the administration of awards; to government contractors, experts, volunteers and researchers and educators as necessary to complete assigned work; to other government agencies or other entities needing information regarding applicants or nominees as part of a joint application review process, or in order to coordinate programs or policy; and to another Federal agency, court, or party in a court or Federal administrative proceeding if the government is a party. Information about Principal Investigators may be added to the Reviewer file and used to select potential candidates to serve as peer reviewers or advisory committee members. See System of Record Notices, NSF-12, "Fellowships and Other Awards," NSF-50, "Principal Investigator/Proposal File and Associated Records," and NSF-51, "Reviewer/Proposal File and Associated Records." Submission of the information is voluntary. Failure to provide full and complete information, however, may reduce the possibility of receiving an award.

An agency may not conduct or sponsor, and a person is not required to respond to, an information collection unless it displays a valid Office of Management and Budget (OMB) control number. The OMB control number for this collection is 3145-XXXX. Public reporting burden for this collection of information is estimated to average 30 per response, including the time for reviewing instructions. Send comments regarding the burden estimate and any other aspect of this collection of information, including suggestions for reducing this burden, to: Reports Clearance Officer, Office of the General Counsel, National Science Foundation, Alexandria, VA 22314.
