ENGINEERING

SUBJECT: Justification for the Continued Use of Social Security Numbers in the Science,
Mathematics, and Research for Transformation Program - Accepted

Thank you for completing a review of Social Security Number (SSN) use within this system. While this system has been identified as requiring the collection, maintenance and use of the SSN, you must ensure this data is afforded the highest protections practicable through use of appropriate administrative, technical and physical safeguards. Also, please maintain a copy of your justification and this memo in your records.
