#### Introduction

Thank you for agreeing to take part in this survey. The survey will take approximately 45 minutes to complete. You will be asked various questions about your experiences with tobacco products, media use, as well as some questions about your background. Even if you do not use tobacco products, the information you provide will still be very important.

Your responses will be kept private to the fullest extent allowed by law, and neither your name nor other personal information will be associated with your responses. The data collected for this study will be combined with that of all participants before it is analyzed.
