Lyme and Other Tickborne Diseases Prevention Study
Monthly Survey

Hello, my name is *(insert name)*. I'm calling on behalf of the *(insert site specific EIP title)* regarding a Lyme disease study that is being conducted in conjunction with the Centers for Disease Control and Prevention. *(insert participant name)* has enrolled in this research study, and as part of this study, we would like to ask him/her to participate in a brief monthly study survey.

May I please speak with *(insert participant name)*?

- Yes, speaking.** *(Go to dialog below)*
- Yes, let me get (contact name) on the phone.** *(Repeat introduction dialog above then go to dialog below)*
- Yes, but (contact name) is not home now/busy.**
When would be a better time to reach him/her?
(Log date/time on call record.) Thank you for your time today.
- No**
Thank you for your time today.

Thank you for your continued participation in the Lyme and Other Tickborne Diseases Prevention Study. We would like to ask you a few brief questions over the phone in order to complete your monthly study survey for [*insert date – date*]. These questions will be about any tick encounters you experienced in the past month.

If we have your permission, we would like to ask you some questions over the phone for this survey. This survey should take no more than 5 minutes to complete. As compensation for your time and effort, you will receive a gift card at the end of the study.

Would you like to participate in this monthly survey?

- Yes**
Great, I will now begin to ask you the survey questions. *(Go to survey questions below)*
- Yes, but now is not a good time.**
When would be a better time to speak?

(Log date/time on call record.) Thank you for your time and interest in this study.
- No**
This study will help public health officials and scientists to better understand how to prevent Lyme disease and other tickborne diseases. Your participation would be a valuable contribution to this study. Would you reconsider?
 - Yes**
Great, I will now begin to ask you the survey questions. *(Go to survey questions*
