

# Screen Shots Submission Flow

The screen shots below illustrate the workflow (submission + Attestation) of a user uploading a file containing general payments records.

## File Upload-General Payments

The screenshot displays the CMS.gov Enterprise Portal interface. At the top, there is a navigation bar with links for 'Portal Help & FAQs', 'Print', 'Log Out', and a user greeting 'Welcome Kahled Masud'. Below this is the 'CMS.gov Enterprise Portal' header and a 'My Portal' dropdown menu currently set to 'Open Payments'. The breadcrumb trail reads 'CMS Portal > Open Payments > Registration 2'. The main heading is 'Open Payments'. A horizontal navigation bar contains five items: 'Home', 'Payments' (selected), 'Manage Organizations', 'My Profile', and 'Help'. The 'Payments' dropdown menu is open, showing 'View, edit & report (transfers of value)', 'View, Edit, or Attest Payments', 'Upload Files', and 'Enter Payments Manually'. The 'Upload Files' option is highlighted. Below the menu, the 'Upload' section begins with the text: 'A field with an asterisk (\*) is required.' This is followed by instructions: 'Report payments (transfer of value) either by uploading a file or by entering a single payment manually. After you upload the file and submit the file, you will see a confirmation message. You can then go to View Records to see your recently uploaded files when they have finished uploading. First, please perform a test of the file by selecting Test File Submission. You can then proceed to upload the appropriate file for the payment category (Research, Nonresearch, and Ownership/Investment Interest). To successfully upload the data: First, 1) Make sure each file you are submitting is in a valid file format (CSV or XML). If needed, you may download the latest Open Payments submissions sample files from this link [Sample Files](#). Second, Fill out and review your data for accuracy, completion, and valid field formatting. Third, Browse and upload the correct file, then click "Submit File to Open Payments". Fourth, Repeat steps 1-4 if you are uploading multiple files.'

## Add Assumptions Yes/No?

The screenshot shows the 'Add Assumptions' page in the CMS Enterprise Portal. The navigation bar includes 'Home', 'Payments' (View, edit & report (transfers of value)), 'Manage Organizations' (Register, edit and nominate roles), 'My Profile' (Account, Roles, Notifications), and 'Help'. A left sidebar titled 'Attest' contains a list of steps: 'Confirm Payments', 'Add Assumptions' (selected), 'Agree to Attestations', and 'Review and Attest'. The main content area shows the breadcrumb 'Home > Payments > View Records > Attest' and the title 'Add Assumptions'. Below the title is a note: 'An asterisk(\*) indicates a required field.' The section is for the '2013 Program Year' for 'Stanley E Paregien'. A question asks: '\* Do you wish to include assumptions with this attestation? Applicable manufacturers and applicable GPOs may submit assumptions, which explain the reasonable assumptions made and the methodologies used when reporting payments or other transfers of value, or ownership or investment interests. Learn more about submitting assumptions in the [Open Payments User Guide](#).' Below this are two radio button options: 'Yes, include an assumptions statement' (selected) and 'No, do not include an assumptions statement (you can add this later if necessary, but only up to the submission deadline for the program year)'. At the bottom of the form area are 'Cancel', 'Back', and 'Next' buttons. The footer contains the CMS Enterprise Portal Home logo, the CMS.gov Enterprise Portal logo, and the text: 'A federal government website managed by the Centers for Medicare & Medicaid Services, 7500 Security Boulevard, Baltimore, MD 21244'.

## Add Assumptions- Yes workflow

This screenshot shows the 'Assumptions' section of the CMS Enterprise Portal. It includes the same navigation and sidebar as the previous screenshot. The main content area contains a note: 'Note: Assumptions for an entity can only be entered and edited by a user with an attester role. Assumptions entered during the initial attestation can be updated and additional assumptions can be entered at any time, but doing so will require re-attestation. If no assumptions were entered during initial attestation, the user will not be able to add assumptions later.' Below the note are two radio button options: 'Yes, include an assumptions statement' (selected) and 'No, do not include an assumptions statement (you can add this later if necessary, but only up to the submission deadline for the program year)'. The section is titled 'Assumptions' and includes the text: 'By default, the assumptions statement applies to all payments (transfers of value) being attested to.' Below this text is a large, empty text input field. At the bottom of the form area are 'Cancel', 'Back', and 'Next' buttons. The footer is identical to the previous screenshot.
