

CMS Quality Payment Program

Submission Form for Other Payer Requests for Other Payer Advanced Alternative Payment Model Determinations (Payer Initiated Submission Form)

Welcome to the QPP All-Payer Submission Form.

Purpose

The Payer Initiated Submission Form (Form) may be used to request that CMS determine whether such payment arrangements are Other Payer Advanced Alternative Payment Models (APMs) under the Quality Payment Program as set forth in 42 CFR § 414.1420. This process is called the Payer Initiated Other Payer Advanced APM Determination Process (Payer Initiated Process). More information about the Quality Payment Program is available at <http://qpp.cms.gov/>.

[Title XIX only]

Payment arrangement determination requests for all Medicaid payment models (including Medicaid fee-for-service [FFS] and Medicaid Managed Care Plans) may be submitted only by State Medicaid Agencies. A State Medicaid Agency requesting a determination for any payment arrangement under Title XIX of the Social Security Act, including payment arrangements aligned with a CMS Multi-Payer Model, must submit this Form by April 1 of the year prior to relevant QP Performance Period (*e.g.*, in 2018 for the 2019 performance period).

[Medicare Health Plans only]

A Medicare Health Plan requesting a determination for a payment arrangement, including one aligned with a CMS Multi-Payer Model, must submit this Form by the annual Medicare Advantage bid submission deadline of the year prior to relevant All-Payer QP Performance Period (*e.g.*, in 2019 for the 2020 performance period).

[Commercial or private payers only]

A commercial or other private payers (non-Medicaid, non-Medicare) requesting a determination for a payment arrangement must submit this Form by **June 1** of the year prior to relevant All-Payer QP Performance Period (*e.g.*, in 2019 for the 2020 performance period).

[All submitters]

CMS will not review Forms submitted after the applicable Submission Deadline.

Different payment arrangements under the same [payer/state] must be submitted separately. [Payers/States] must submit the required information pertaining to each payment arrangement they wish to have reviewed.

Additional Information

CMS will review the payment arrangement information in this Form to determine whether the payment arrangement meets the Other Payer Advanced APM criteria. If a [payer/state] submits incomplete information and/or more information is required to make a determination, CMS will notify the [payer/state] and request the additional information that is needed. [Payers/States] must return the requested information no later than 15 business days from the notification date. If the [payer/state] does not submit sufficient information within this time period, CMS will not make a determination regarding the payment arrangement. As a result, the payment arrangement would not be considered an Other Payer Advanced APM for the year. These determinations are final and not subject to reconsideration.

Notification

CMS will notify the [payer/state] regarding determinations as soon as practicable after applicable Submission Deadline. CMS will also post a list of all the payment arrangements determined to be Other Payer Advanced APMs on a CMS website.

NOTE: Please be sure to save your work before navigating away from each page as any unsaved work will be lost. Additionally, the application times out after 30 minutes of inactivity.

A separate submission must be completed for each payment arrangement the [payer/state] is submitting.
