Multiple SSNs

The "Multiple SSN's" field shows all retired Social Security Numbers associated with an individual's NUMIDENT record. An individual may have been assigned multiple Social Security Numbers over a period of time, and for a variety of reasons.

For more information about Multiple SSN's, see POMS references [RM 10220.400](#) and [RM 10220.001](#).

Note: Be aware, there may be instances where an SSN shown under the "Multiple SSN" field is actually an active Cross Referenced SSN for a different person, and either dual or simultaneous entitlement is involved. In these instances, the SSN is not a true Multiple SSN.
