Long Term Trend (LTT) 2020 Student Questionnaires

OMB# 1850-0928 v.16

March 2019
No changes since v.15

Appendix F of this submission provides the library of possible items to be used in the NAEP 2019 and 2020 questionnaires. This appendix (Appendix K4) includes the final version of the LTT 2020 Student questionnaires, as well as a summary of any minor, non-substantive, wording changes made as a result of a final review. In addition, note that some of the questionnaires will utilize spiraling in order to minimize respondent burden while maximizing the amount of items that can be piloted. The spiral maps for these questionnaires are also included.
