ENERGY STAR Connected Thermostat Partner
Unit Shipment Data for Calendar Year 2018
Office of Atmospheric Programs

PARTNER NAME (Per your Partnership Agreement):

SUBMITTED BY (Your name):

IMPORTANT: Please read these instructions carefully before completing this form.

- Report shipments to or within the U.S. of all models certified under your ENERGY STAR partnership.
- To ensure no double counting occurs, do not report shipments of products certified under another company's partnership. Original Equipment Manufacturer of those products. As a reminder, any product sold under a brand name your company can be certified under your ENERGY STAR partnership.

This form is programmed to calculate your total shipments. Therefore, EPA strongly encourages you to complete it using a printed copy. Estimates of shipments are not accepted. Product Type definitions are available in the [Pr](http://www.energystar.gov/specifications)

If you shipped zero ENERGY STAR certified models to or within the U.S. in 2018, please check here and leave the table below blank.
