Title: Transit Research, Development, Demonstration and Training Projects (OMB Number: 2132-0546).

Background: 49 U.S.C. 5312(a) authorizes the Secretary of Transportation to make grants or contracts for research, development, demonstration and deployment projects, and for evaluation of technology of national significance to public transportation, that the Secretary determines will improve mass transportation service or help transportation service meet the total urban transportation needs at a minimum cost. In carrying out the provisions of this section, the Secretary is also authorized to request and receive appropriate information from any source. The information collected is submitted as part of the application for grants and cooperative agreements and is used to determine eligibility of applicants. Collection of this information also provides

documentation that the applicants and recipients are meeting program objectives and are complying with FTA Circular 6100.1D and other federal requirements.

Respondents: Federal Government Departments, agencies, and instrumentalities of the Government, including Federal laboratories; State and local governmental entities; providers of public transportation; private or non-profit organizations; institutions of higher education; and technical and community colleges.

Estimated Annual Number of Respondents: 175 respondents.

Estimated Total Annual Burden: 20,550 hours.

Frequency: Every Two Years.

Nadine Pembleton,

Director Office of Management Planning.
