

§ 5.110

real property disposition (*see, e.g.*, 24 CFR parts 84 and 85).

(h) *Commingling of Federal and State and local funds.* If a state or local government voluntarily contributes its own funds to supplement Federally funded activities, the State or local government has the option to segregate the Federal funds or commingle them. However, if the funds are commingled, the requirements of this section apply to all of the commingled funds. Further, if a State or local government is required to contribute matching funds to supplement a Federally funded activity, the matching funds are considered commingled with the Federal assistance and therefore subject to the requirements of this section. Some HUD programs' requirements govern any project or activity assisted under those programs. Accordingly, grantees should consult with the appropriate HUD program office to determine the scope of applicable requirements.
