

**White Paper  
IC expiration  
OMB Control Number 2900-0162**

VA requests approval of the reinstatement of OMB control number 2900-0162.

This ICR expired due to the transition of systems that affected the process for ensuring that expiring VA Education ICR's were submitted to OMB in a timely manner. The transition has been completed and the information collection request duties have been updated in order to avoid future VA Education ICR's from expiring.
