**SUPPLEMENTARY INFORMATION:**

*Title:* Conflicts of Interest Policies and Procedures by Futures Commission Merchants and Introducing Brokers (OMB Control No. 3038-0078). This is a request for an extension of a currently approved information collection.

*Abstract:* On April 3, 2012, the Commission adopted Commission regulation 1.71 (Conflicts of interest policies and procedures by futures commission merchants and introducing brokers)<sup>2</sup> pursuant to section 4d(c)<sup>3</sup> of the Commodity Exchange Act (CEA). Commission regulation 1.71 requires generally that, among other things, futures commission merchants (FCM)<sup>4</sup> and introducing brokers (IB)<sup>5</sup> develop conflicts of interest procedures and disclosures, adopt and implement written policies and procedures reasonably designed to ensure compliance with their conflicts of interest and disclosure obligations, and maintain specified records related to those requirements.<sup>6</sup> The Commission believes that the information collection obligations imposed by Commission regulation 1.71 are essential (i) to ensuring that FCMs and IBs develop and maintain the conflicts of interest systems, procedures and disclosures required by the CEA, and Commission regulations, and (ii) to the effective evaluation of these registrants' actual compliance with the CEA and Commission regulations.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. On April 9, 2019, the

Commission published in the **Federal Register** notice of the proposed extension of this information collection and provided 60 days for public comment on the proposed extension, 84 FR 14098 (60-Day Notice). The Commission did not receive any relevant comments on the 60-Day Notice.

*Burden Statement:* The Commission is revising its estimate of the burden for this collection to reflect the current number of registered FCMs and IBs. Accordingly, the respondent burden for this collection is estimated to be as follows:

*Estimated Number of Respondents:* 1,244.

*Estimated Average Burden Hours per Respondent:* 44.5.

*Estimated Total Annual Burden Hours:* 55,358.

*Frequency of Collection:* As applicable.

There are no capital costs or operating and maintenance costs associated with this collection.

(Authority: 44 U.S.C. 3501 *et seq.*)

Dated: June 25, 2019.

**Robert Sidman,**

*Deputy Secretary of the Commission.*
