BURDEN HOURS

Category of Respondent	No. of Respondents	Participation Time	Burden
Private Sector	888	2 minutes	30 Hours
Totals			30 Hours

FEDERAL COST: The estimated annual cost to the Federal government is \$45.44. The number of respondents is calculated using historical data projections based on 2019 Federal Procurement Data System-Next Generation data. The Office of Governmentwide Policy anticipates 296 procurements times an average of 3 offers or 888. The survey will take 1,776 (888 x 2) minutes to complete or 30 hours rounded (1,776 /60) total.

The use of an automated survey system “Qualtrics) which generates reports for analysis, the estimated annual cost to the Federal government is \$45.44 per hour (GS 12, Step 5) x1 hour for downloading and analyzing reports from Qualtrics or \$45.44.

If you are conducting a focus group, survey, or plan to employ statistical methods, please provide answers to the following questions:

The selection of your targeted respondents

- Do you have a customer list or something similar that defines the universe of potential respondents and do you have a sampling plan for selecting from this universe?
 Yes No

If the answer is yes, please provide a description of both below (or attach the sampling plan)?
 If the answer is no, please provide a description of how you plan to identify your potential group of respondents and how you will select them?

Potential customers for the INFORM 2.0 procedures are those companies who have projects that met the following criteria and have not been excluded or exempted from the process:

Procurements with a total estimated contract value (including options) at or above \$10M

- Public Buildings Service (PBS)
- Office of Administrative Services (OAS)
- Federal Acquisition Services (FAS) Assisted Acquisition Services (AAS) Department for Defense (DoD) actions

Procurements with a total estimated contract value (including options) at or above \$100M

- FAS procurements for non-DoD actions

INFORM 2.0 procedures do not apply to GSA lease acquisitions.

INFORM 2.0 Exclusions.

The following procurements are not required to participate the INFORM 2.0 process:

- Multiple award contracts with ten (10) or more awards expected, including but not limited to, the Federal Supply Schedules (FSS), One Acquisition Solution for Integrated Services (OASIS), and the City Pairs Program (CPP). This exclusion does not extend to orders placed against these contracts.
- Awards evaluated on a lowest price technically acceptable (LPTA) basis.
- Emergency acquisitions conducted under the procedures outlined in FAR 18.

INFORM 2.0 Exemptions.

Heads of Contracting Activity (HCAs) in FAS, PBS, and OAS may exempt procurements that they deem are not appropriate to implement using the INFORM 2.0 process.
