

Petition Submission Information

1. Petitioner Contact Information

- A. Petitioner Company
 - i. Company name
 - ii. Address
- B. Petitioner Contact
 - i. Name (individual) and title
 - ii. Phone number
 - iii. Email address

2. Independent Representative Information

- A. Name (individual)
- B. Company
- C. Phone number
- D. Email address

3. Related Provisions/Petitions: Do you want to renew the current 9902 heading? (Yes, without change/Yes, with changes/No)

- If “Yes, without change” the user cannot edit the article description (6A below) or permanent HTS subheading reference (4 below) contained therein.

4. HTS Subheading: Enter the 8-digit Harmonized Tariff Schedule (HTS) subheading in HTS chapters 1-97 for the product.

5. Rate: Indicate whether you are requesting a temporary duty suspension or a temporary duty reduction. (Suspension/Reduction) If you are requesting a “reduction,” what is the lower duty rate that you are requesting?

6. Legislative Text Information

- A. Provide a precise written physical description of the article, without reference to the article’s use, for the proposed duty suspension or reduction to be included in the amendment to subchapter II of chapter 99 of the HTS.
- B. Is the product a chemical? (Yes/No) If “yes,” provide:
 - i. Chemical Abstract Service (CAS) number(s)
 - ii. International Union of Pure and Applied Chemistry (IUPAC)/systematic name
 - iii. International Nonproprietary Name (INN), if applicable
 - iv. Colour Index Number, if applicable
- C. Does the article description from question 6A above, include more than one 8-digit HTS subheading from HTS chapters 1–97? (Yes/No) If “Yes,” list the HTS subheading numbers other than the one you entered in response to question 4.

7. U.S. Customs and Border Protection (CBP) Ruling: Are you aware of any CBP rulings establishing the HTS subheading classification of your product? (Yes/No) If “yes,” attach a copy of the ruling, indicating whether it is a published or private letter.

8. Import Documentation: Has your firm previously imported the product? (Yes/No) If “yes,” attach CBP documentation (e.g., liquidated entry summary, Customs Form 29, or other Customs

documentation) indicating the product’s classification by CBP for each HTS subheading you list above.

9. Product and Industry Description

- A. Provide a short product name for the product. (If the user indicated a renewal “without change” in response to question 3B, this information will be populated based on the Miscellaneous Tariff Bill of 2018 (and will not be editable).
- B. Provide a brief description of the product and a description of the industry in the United States that uses the product.
- C. Is the product an intermediate good (e.g., is it a chemical intermediate or a component used to make another product)? (Yes/No)
- D. Upload any additional product or industry information. Limit 1 attachment of no more than 5 pages or 25MB. Indicate whether the attachment contains confidential business information.
- E. Enter any website address(es) that provide additional information about the product.

10. Import Information

- A. From what country or countries is the product imported by your firm and other known importing firms? (Pick from list)
- B. Provide estimates of U.S. import data for the product for the previous calendar year, current calendar year, and projected for each of the next 5 years. If additional HTS subheadings were entered in 6C, fill out a separate table for each HTS number.
 - i. Are the import data you provide for the petitioner only? (Yes/No)
 - ii. Provide an estimate of the current share of the total import market accounted for by your firm (to the nearest tenth of a percent).

Import Estimates (in U.S. Dollars)							
	2018	2019	2020	2021	2022	2023	2024
Total U.S. imports							
Dutiable U.S. imports							

- C. Are you aware of any other U.S. importers of the product? (Yes/No) If “yes,” provide contact information (firm name, contact name, phone, email) for other importers.
- D. Are you aware of any beneficiaries of the requested duty suspension or reduction other than the petitioner and U.S. importers listed above? (Yes/No) If “yes,” provide contact information (firm name, contact name, phone, email) for other beneficiaries.

11. Domestic Production: To the best of your knowledge, is an identical, like, or directly competitive product produced (currently or within the last 12 months) or is production planned (within 3 years) in the United States? (Yes/No) If “Yes,” provide:

- A. Describe the identical, like, or directly competitive domestic product(s) and your basis for claiming that it is identical, like, or directly competitive with the product covered by the petition.
- B. Indicate whether the domestically produced product(s) is currently produced; has been produced in the last 12 months; or, regardless of whether currently produced or produced in the last 12 months, whether domestic production is planned within 3 years. (Indicate all that apply.)

If you indicate that “production is planned,” describe the product or products to be produced and indicate when production is expected to begin.

- C. Is the product commercially available? (Yes/No/Do Not Know) If “No,” provide an explanation.
- D. List known domestic producers and their location (city and state). (At least one producer firm name is required.)

12. Additional Information: Upload any additional information or documentation. Limit 1 attachment of no more than 5 pages or 25MB. Attachments uploaded in response to this question must not contain confidential business information.

- Does this petition replace a previously filed, now withdrawn petition of the petitioner for the 2019 cycle? (Yes/No/Do Not Know) If “Yes,” enter the petition number(s) for the previously withdrawn petition(s).

13. Certifications

- A. I certify that, to the best of my knowledge, the petitioner is a likely beneficiary of the requested duty suspension or reduction, if enacted? (Yes/No)
- B. I certify that, to the best of my knowledge, the proposed duty suspension or reduction, if enacted, will be available to any person importing the article. (Yes/No) If “no,” explain why it is not available (e.g., the article is covered by a patent and available only to licensees).
- C. I certify that, to the best of my knowledge, the petitioner has not separately filed an “identical or overlapping” petition during the current filing cycle. (Yes/No)

An identical or overlapping petition is one that is filed:

- For an article that is identical to that in the current petition;
- For an article whose article description includes the article covered by the current petition; OR
- For an article that included in the scope of the current petition

If the petitioner intends that the present submission be the sole petition for this article, any separately filed petition(s) that are overlapping or identical as described above must be withdrawn before proceeding with this submission.

- D. I certify that the information supplied is complete and correct to the best of my knowledge and belief, and I understand that the information submitted is subject to audit and verification by the Commission. (Yes/No)
