The list below articulates some of the public benefits of making the humanities available to all Americans. In your opinion, please select the top five benefits.

- Advancing knowledge and understanding of the shared human experience
- Benefitting the broader community through better informed citizens and a better understanding of our place in the world
- Contributing to economic and social progress
- Ensuring longevity and accessibility of the nation's cultural heritage
- Expanding the American people's understanding of untold stories of historically underserved groups
- Helping the American people develop the skills they need in life
- Helping the American people feel part of their local community
- Helping the American people understand others through their languages, histories, and cultures
- Helping the American people work more effectively and creatively
- Helping to strengthen American democracy
- Helping us answer big questions, such as what is the meaning, value, and purpose of human life?
- Improving social outcomes
- Offering practical applications for everyday life
- Preserving valued traditions and transmitting them from generation to generation
- Strengthening the economy
- Other (free text)

In your opinion, what are the top three most pressing issues facing the humanities in America?

- Access to humanities education in PreK-12 schools
- Access to humanities education in postsecondary schools
- Access to lifelong learning in the humanities
- Career paths for a diverse generation of humanities professionals
- Climate, the environment, and sustainability
- Equity and inclusion
- Financial resources
- Major technological shifts
- Personnel resources
- Poor appreciation and understanding of the contributions the humanities can make to public policymaking

- Public perception of the humanities
- Other (free text)

NEH is committed to cultural equity and equitable access to its programs. The list below represents populations that may encounter barriers to both. In your opinion, please indicate the top three populations whose access to quality humanities programs should be prioritized by NEH:

- At-risk youth
- Economically disadvantaged communities
- Immigrant / ethnic populations
- Incarcerated persons
- Individuals with disabilities
- Members of the military and veterans
- Non-English-speaking individuals / English language learners
- Pre-K-12 students
- Rural communities
- Seniors
- Socially disadvantaged groups, including women, black/African American, Hispanic/Latino, Native American, Native Alaskan, Asian, Pacific Islander, or Native Hawaiian
- Other (free text)
