

MAP Evaluation: End of Program

End of Program Evaluation

Thank you for participating in the Museum Assessment Program (MAP).

If you have not yet reviewed the final Assessment Report, please do so and return to this survey when you are ready.

As part of the program, we ask all participating institutions to complete evaluations during, after, and one year following their experience. This check-in helps us understand where the program can improve, what aspects are most valuable, and helps us report back to our funders and stakeholders.

Thank you in advance for sharing your honest feedback with us!
