ATSDR estimates the average public reporting burden for this collection of information as 20 minutes per response, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB Control Number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0923-xxxx).

If the parent reports that the child has a developmental disability (e.g., ADHD, autism, or a learning disability), then ATSDR shall obtain and abstract the special education records for the child including the individualized education program (IEP), the IEP evaluation report ("Full Individual Evaluation" or "FIE"), and if available, the Independent Educational Evaluation.
