Note: The Paperwork Reduction Act of 1995 requires us to inform you that: This information is being collected to determine road use and maintenance fees and verify other information relevant to operations under your right-of-way permit. The information is mandatory as a condition of your right-of-way permit and the regulations in 43 CFR 2812.8-1. Failure to submit this information may be grounds for suspension or termination of your permit. BLM may not sponsor, and you are not required to respond to, a collection of information that does not display a current valid OMB control number. Public reporting burden for this form is estimated to average 8 hours per response, including time for reviewing instructions, gathering and maintaining data, and completing and reviewing this form. Direct comments regarding the burden estimate or any other aspect of this form to: U.S. Department of the Interior, Bureau of Land Management, Burgay Classification (1995) 1840 C Street N.W. Mail Street 21341 M. Weshington, D. C. 20240.

← Initial here to indicate that certification on page one applies to this page as well.								I -	hauling data in this Report of Road Use is verified. Bill can be prepared.									

<sup>\*</sup> To report Cull or Chip haul, enter the # of vehicles in the Quantity Hauled column and the fee per/vehicle mile into the Road Maintenance Fee/MBF Column.

<sup>\*\*</sup>For Reciprocal ROW: fees are calculated per MBF. If permit is system fee--then it is a negotiated fee/MBF. If a unilateral permit, use state-wide RUF/MBF.
