PONL 5.0 – Amended Manufacturer of Processed Tobacco or Tobacco Products, or New Tobacco Export Warehouse, Permit Applications.
Screen Shots – August 2019

After a successful log-in, respondent sees PONL Welcome Page:

Clicking an option under the heading “What do you want to do today?” results in a list of permits, registrations, and notices held by the applicant.

The screenshot shows a web browser window with the URL <https://www.ttb.gov/ponl-help/amending-an>. The page content includes the following sections:

2. Select the application that you would like to amend:

- If you need to update information about the business entity ONLY, choose "Create Amendment" for the Application for Original Entity.
- If you need to update information about a particular commodity operation, choose "Create Amendment" for that operation (e.g. Application for Winery Operations).
- If you need to update both a commodity operation and the associated business entity information, choose "Create Amendment" for the commodity operation record. You will be given the opportunity to update both the commodity and entity information as part of this process.

Learn more about [choosing which records to amend](#).

The interface shows a navigation bar with "Home", "My Submissions", "Resume Draft", and "Help". Below this is a "My Records" section with a dropdown menu set to "2. Approved commodity and entity records". A message states: "Here is a list of the permit, registration, and notice applications that you have permission to access and update. If you are looking for records that were originally filed on paper or by a colleague and don't see them here, [submit a request to have them linked](#) to your account."

3. Answer some questions about the changes you need to make.

Changes specific to the operation: If you are amending a commodity operation application, we will ask you the following questions.

The respondent selects the tobacco-related permit to be amended from the list of permits held by the respondent.

The respondent then selects the link for “Commodity Operations Amendmen Wizard” shown in the chart below, which is required for all amended permit applications:

The screenshot shows a web browser window with the URL <https://www.ttb.gov/ponl-help/preview-appli>. The page title is "Amended Applications – Tobacco". The content is organized into a table with the following rows:

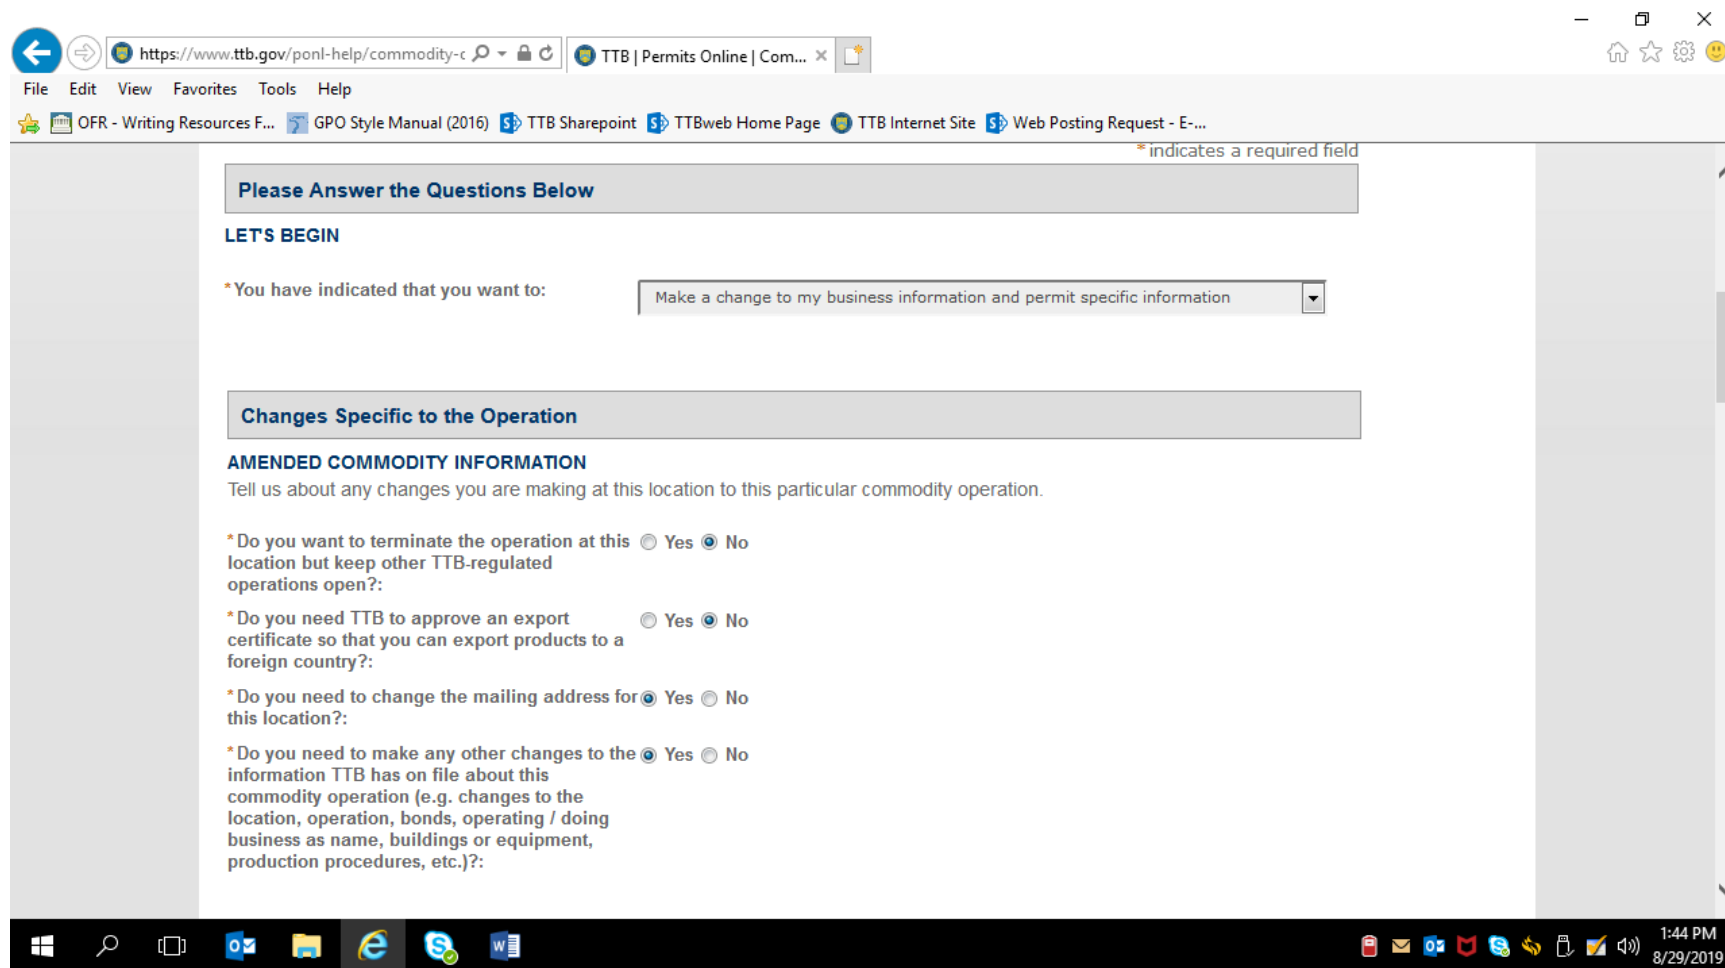

Commodity Operations Amendment Wizard	<p>The Commodity Operations Amendment Wizard guides you by asking a series of questions, and depending on your answers creates an application package, which is a list of the applications you're required to submit.</p> <p><i>Everyone who applies for an amended permit, registration, or notice must complete the questions in the Amendment Wizard.</i></p>
	File this application to report:

COMMODITY OPERATIONS AMENDMENT WIZARD:

The screenshot shows a web browser window displaying the TTB Permits Online Commodity Operations Amendment Wizard. The browser's address bar shows the URL: <https://www.ttb.gov/ponl-help/commodity-c>. The browser's menu bar includes File, Edit, View, Favorites, Tools, and Help. The browser's toolbar shows several open tabs: OFR - Writing Resources F..., GPO Style Manual (2016), TTB Sharepoint, TTBweb Home Page, TTB Internet Site, and Web Posting Request - E-... The TTB logo is visible in the top left corner of the page, with the text "Alcohol and Tobacco Tax and Trade Bureau" and "U.S. Department of the Treasury". The navigation menu includes "Who We Are", "What We Do", "TTB Audiences", and "Resources". A search bar is located in the top right corner, with the text "REPORT FRAUD: TTB Tips Online" above it. The page content includes a breadcrumb trail: "TTB Home > Permits Online Help > Permits Online | Commodity Operations Amendment Wizard Preview". The main heading is "Permits Online: Preview the Commodity Operations Amendment Wizard". Below the heading, a paragraph states: "All of the information related to each TTB-regulated operation and business premises is contained in the commodity operations record, i.e., your permit, registration, or notice. To report changes, you must start by completing the questions in the Amendment Wizard." The "Step 1: Determine changes needed" section features four navigation buttons: "Home", "My Submissions", "Resume Draft", and "Help". Below these buttons is the "Amendment Wizard" section, which shows a progress bar with four steps: "1 Determine changes needed", "2 Review", "3 Application package", and "4 Submission confirmation". The "1 Determine changes needed" step is currently active. Below the progress bar, the text reads: "Step 1 : Determine changes needed >>". A paragraph follows: "This wizard will help you identify, fill out, and submit a package of the applications you'll need in order to update the information you currently have on file with TTB about this operation (e.g. winery, brewery, etc.), this business entity, and the people who are involved in its operations." A note at the bottom right of the page states: "* indicates a required field". Below this note is a box with the text "Please Answer the Questions Below". The Windows taskbar is visible at the bottom of the screenshot, showing the Start button, search icon, and several application icons. The system tray shows the time as 1:43 PM and the date as 8/29/2019.

Step 3: Application package

From here select "Start" to open and complete each amendment application in your package.

Home My Submissions Resume Draft Help

Amendment Wizard

1 Determine changes needed 2 Review 3 Application package 4 Pay cash bond if applicable 5 Submission confirmation

Step 3 : Application package

Based on the information you have provided, your application package consists of the application(s) shown below. Select "Start" to begin each application.

Once all applications are in "Ready to submit (edit)" status, you may select the "Submit application package" button. After submitting the application package, you will no longer be able to change any of the information.

Please complete the following applications:

Amended Application for Change in Mailing Address	Start
Amended Application for Winery	Start
Export Certificate	Start

Submit Application Package » Save and resume later:

The respondent then selects the appropriate amended permit application from the chart shown on page 5 of this document. Please note that some information collected in the various applications, such as changes to bonds, consent of surety, changes in variances, etc., are approved under other OMB control numbers.

APPLICATION FOR AMENDED MANUFACTURER OF PROCESSED TOBACCO PERMIT:

The screenshot shows a web browser window displaying the TTB (Alcohol and Tobacco Tax and Trade Bureau) website. The browser's address bar shows the URL: <https://www.ttb.gov/po-nl-help/amended-apl>. The page title is "TTB | Permits Online | Ame...".

The website header includes the TTB logo and the text "Alcohol and Tobacco Tax and Trade Bureau, U.S. Department of the Treasury". Navigation links include "Who We Are", "What We Do", "TTB Audiences", and "Resources". A search bar is present with the text "Search". A "REPORT FRAUD: TTB Tips Online" link is also visible.

The breadcrumb trail reads: "TTB Home > Permits Online Help > Permits Online | Amended Application for Manufacturers of Processed Tobacco".

The main heading is "Permits Online: Preview the Amended Application for Manufacturer of Processed Tobacco". Below this, it says "File this application to report:" followed by a list of reasons:

- Change premises location
- Add or remove variance or alternate method
- Change in DBA/Operating name

Two notes are provided:

Note: You may submit multiple amendments in one application.

Note: not all questions shown in the screen prints below will appear when you fill out your application. Some questions appear based on the answers you select.

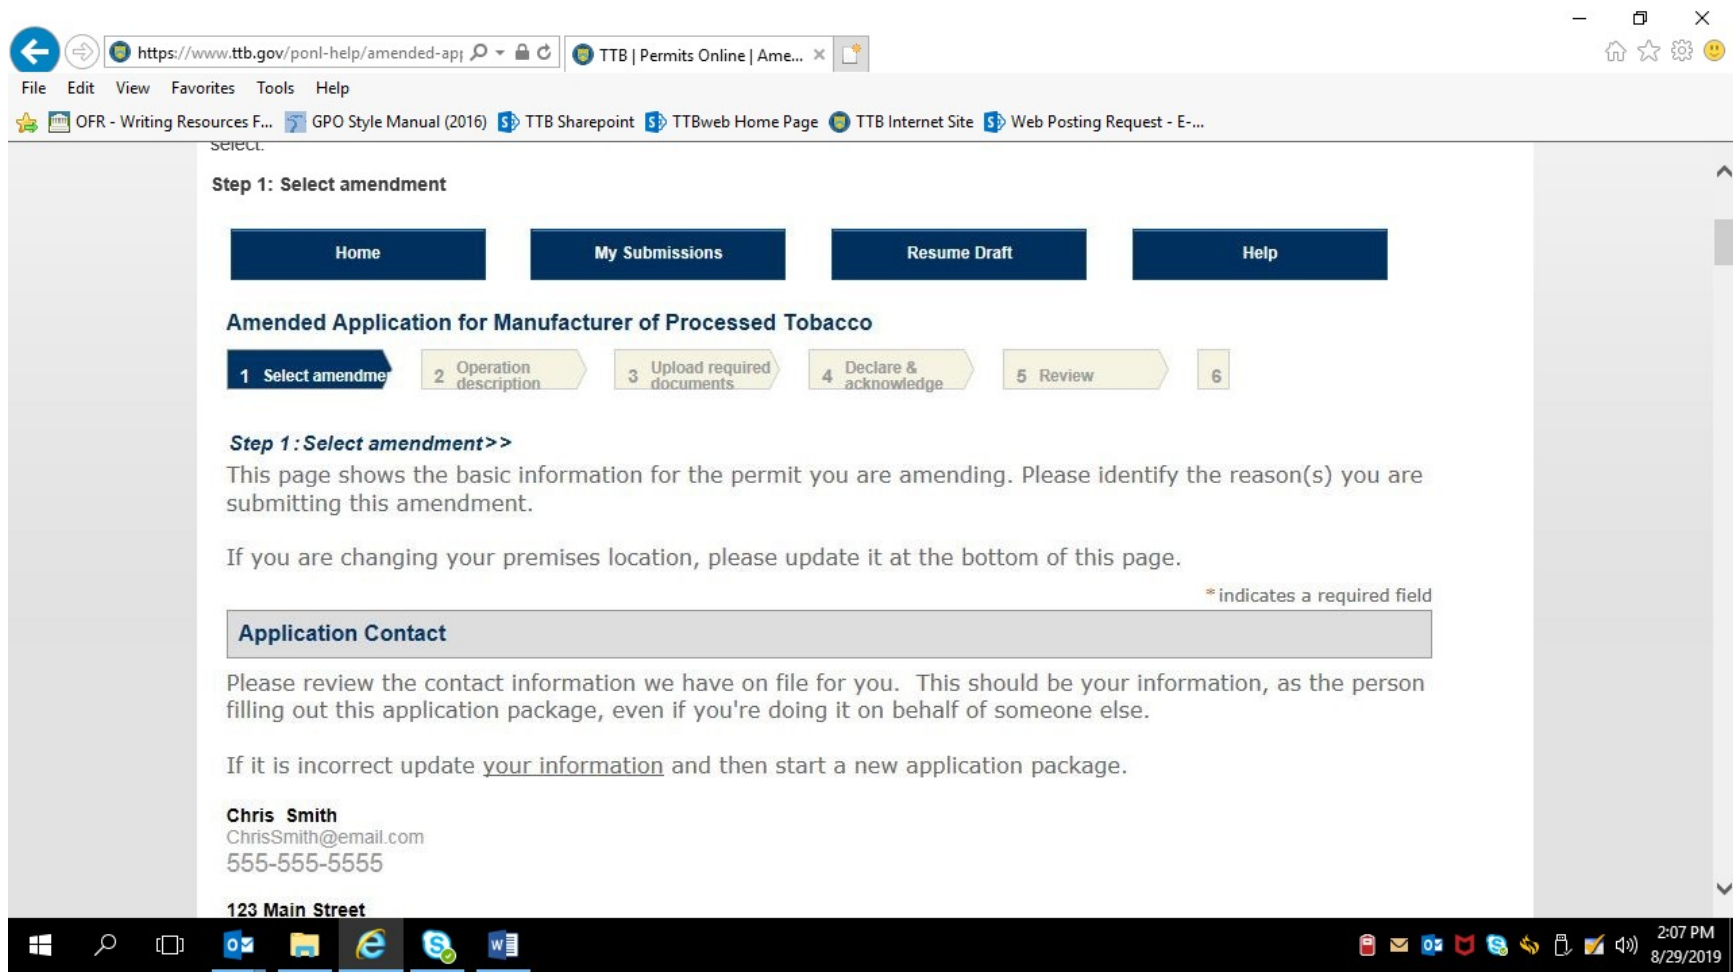

Step 1: Select amendment

Navigation buttons are shown: Home, My Submissions, Resume Draft, and Help.

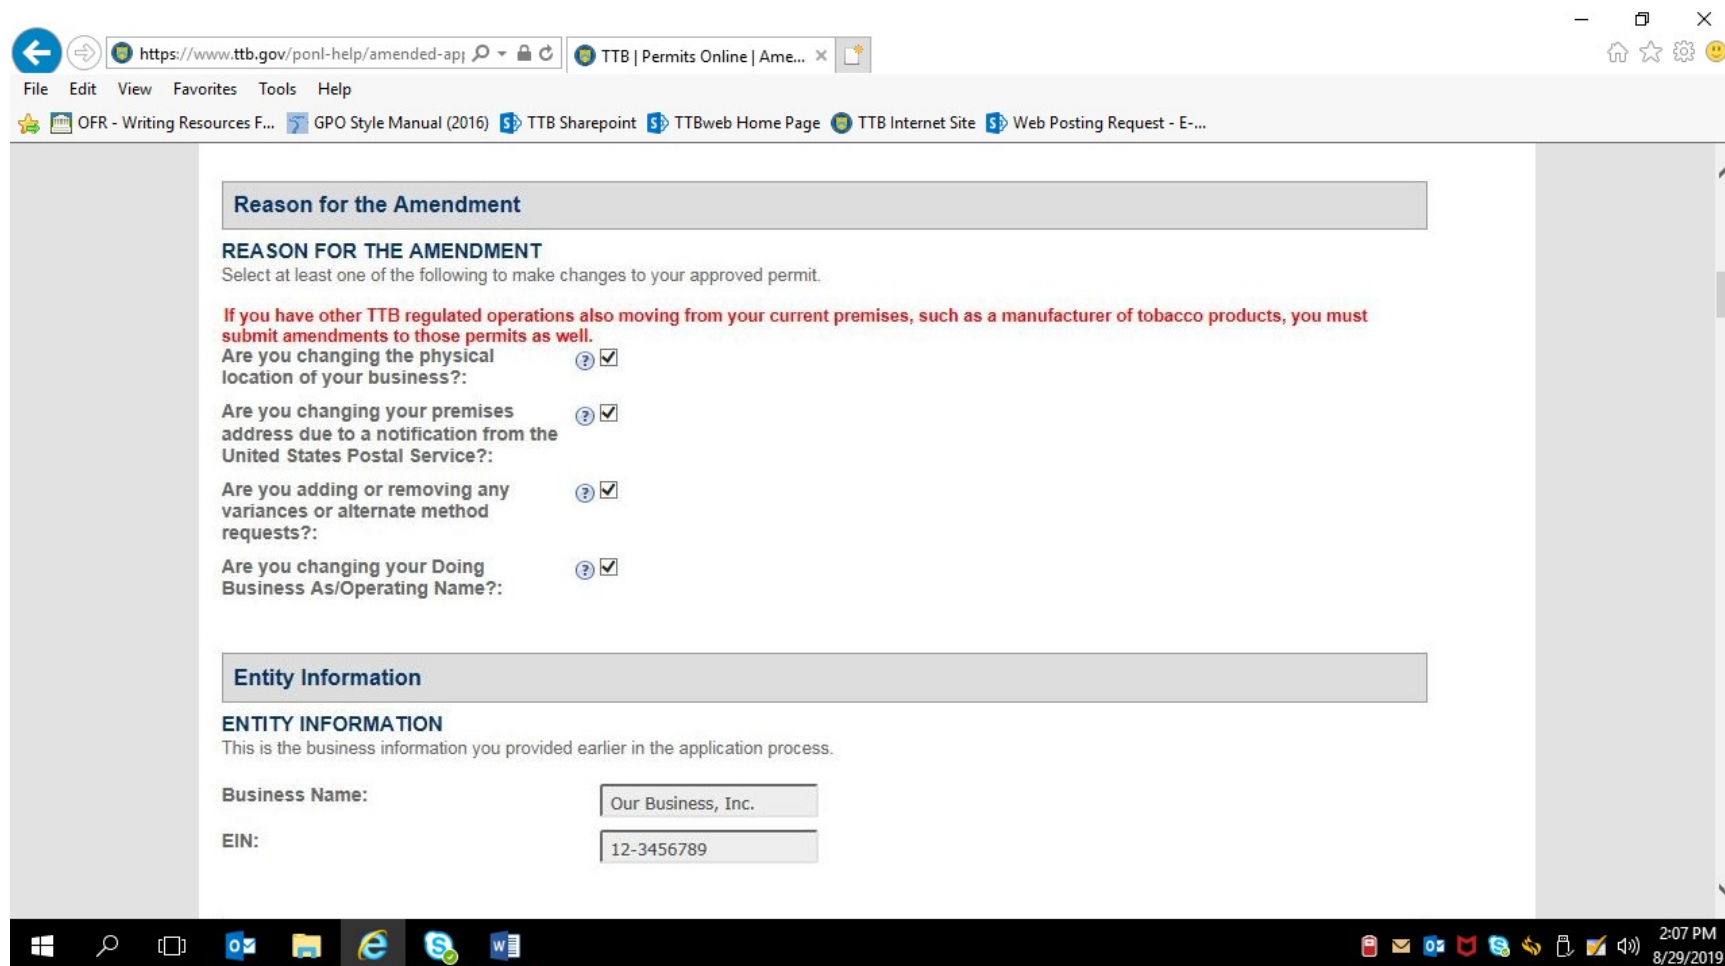

The process flow for "Amended Application for Manufacturer of Processed Tobacco" is shown as a sequence of steps:

- 1 Select amendment (highlighted)
- 2 Operation description
- 3 Upload required documents
- 4 Declare & acknowledge
- 5 Review
- 6

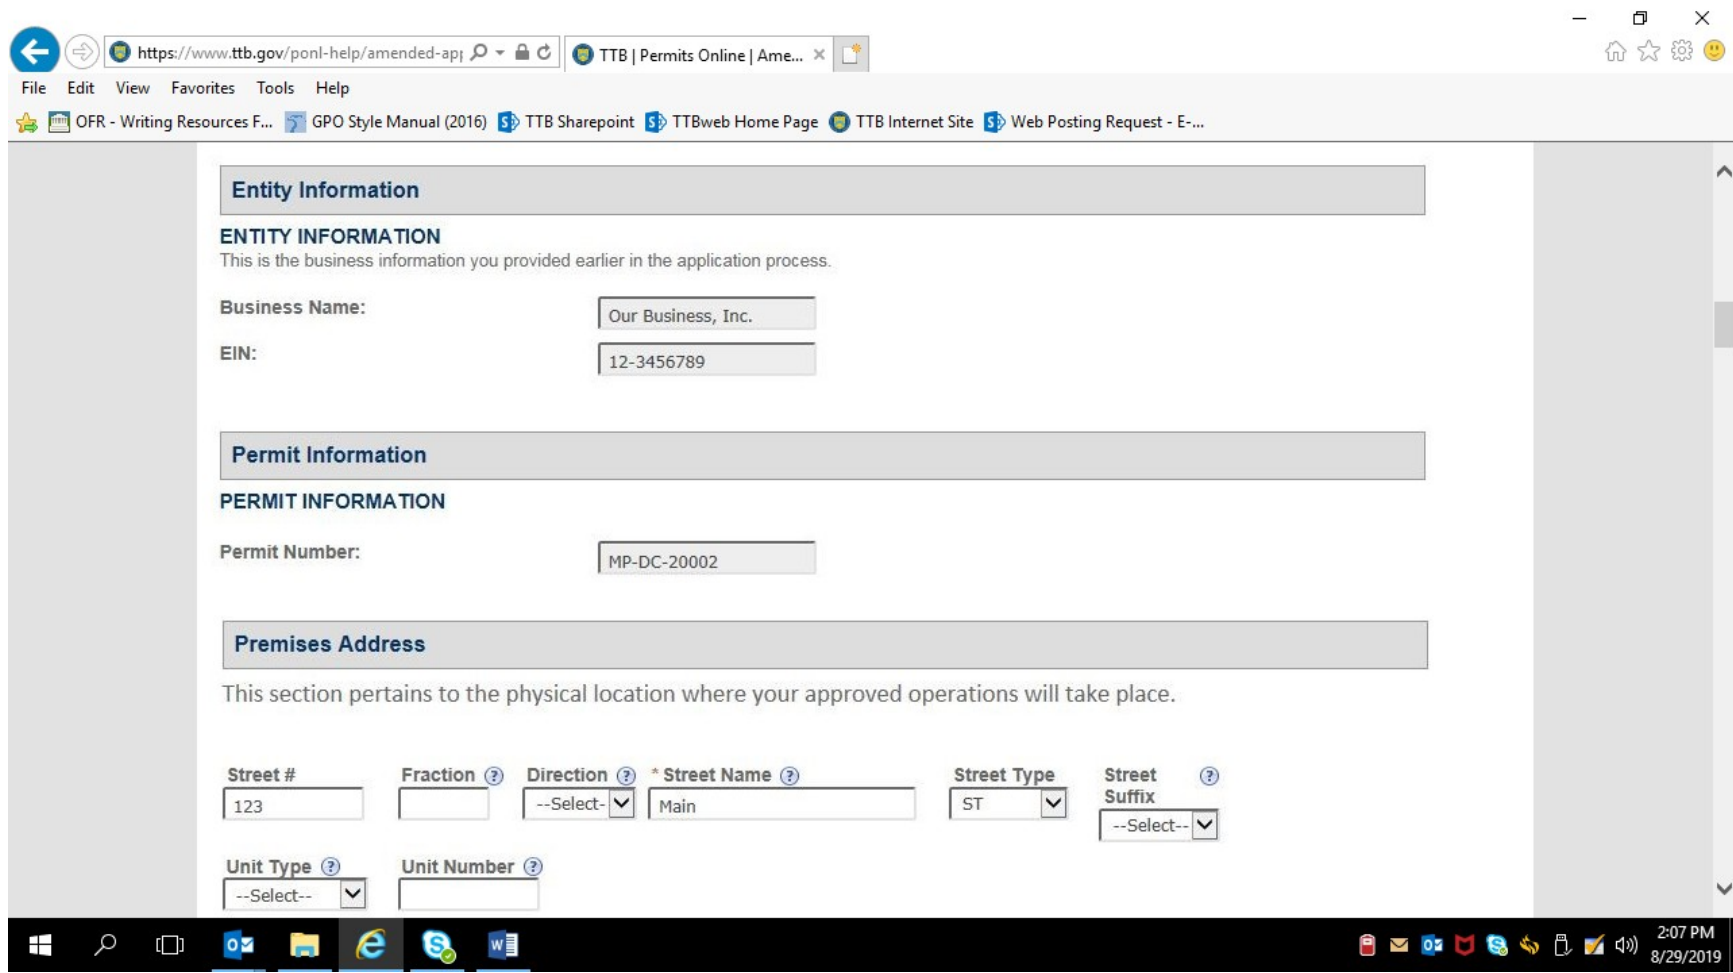

The Windows taskbar at the bottom shows the date and time as 2:05 PM on 8/29/2019.

PONL 5.0 – Amended Manufacturer of Processed Tobacco or Tobacco Products, or New Tobacco Export Warehouse, Permit Applications. Screen Shots – August 2019

The screenshot shows a web browser window with the URL <https://www.ttb.gov/ponl-help/amended-apj>. The browser's address bar and tabs are visible at the top. The main content area is titled "Step 4: Declare & acknowledge".

At the top of the content area, there are four navigation buttons: "Home", "My Submissions", "Resume Draft", and "Help".

Below the navigation buttons is a progress bar for the application process, consisting of six steps:

- 1
- 2 Operation description
- 3 Upload required documents
- 4 Declare & acknowledge
- 5 Review
- 6 Application package

Step 4, "Declare & acknowledge", is the current step and is highlighted in blue. A tooltip-like box is open over this step, containing the text: "Step 4: Declare & acknowledge >>".

To the right of the progress bar, there is a note: "* indicates a required field".

The main section is titled "Declaration" and contains the following text:

DECLARE AND ACKNOWLEDGE

By checking the box below, you declare under penalty of perjury that you have examined this application, including accompanying statements, and it is true, correct, and complete to the best of your knowledge and belief.

You may not commence or engage in the operations covered by this application until you have received approval from the Director of the National Revenue Center.

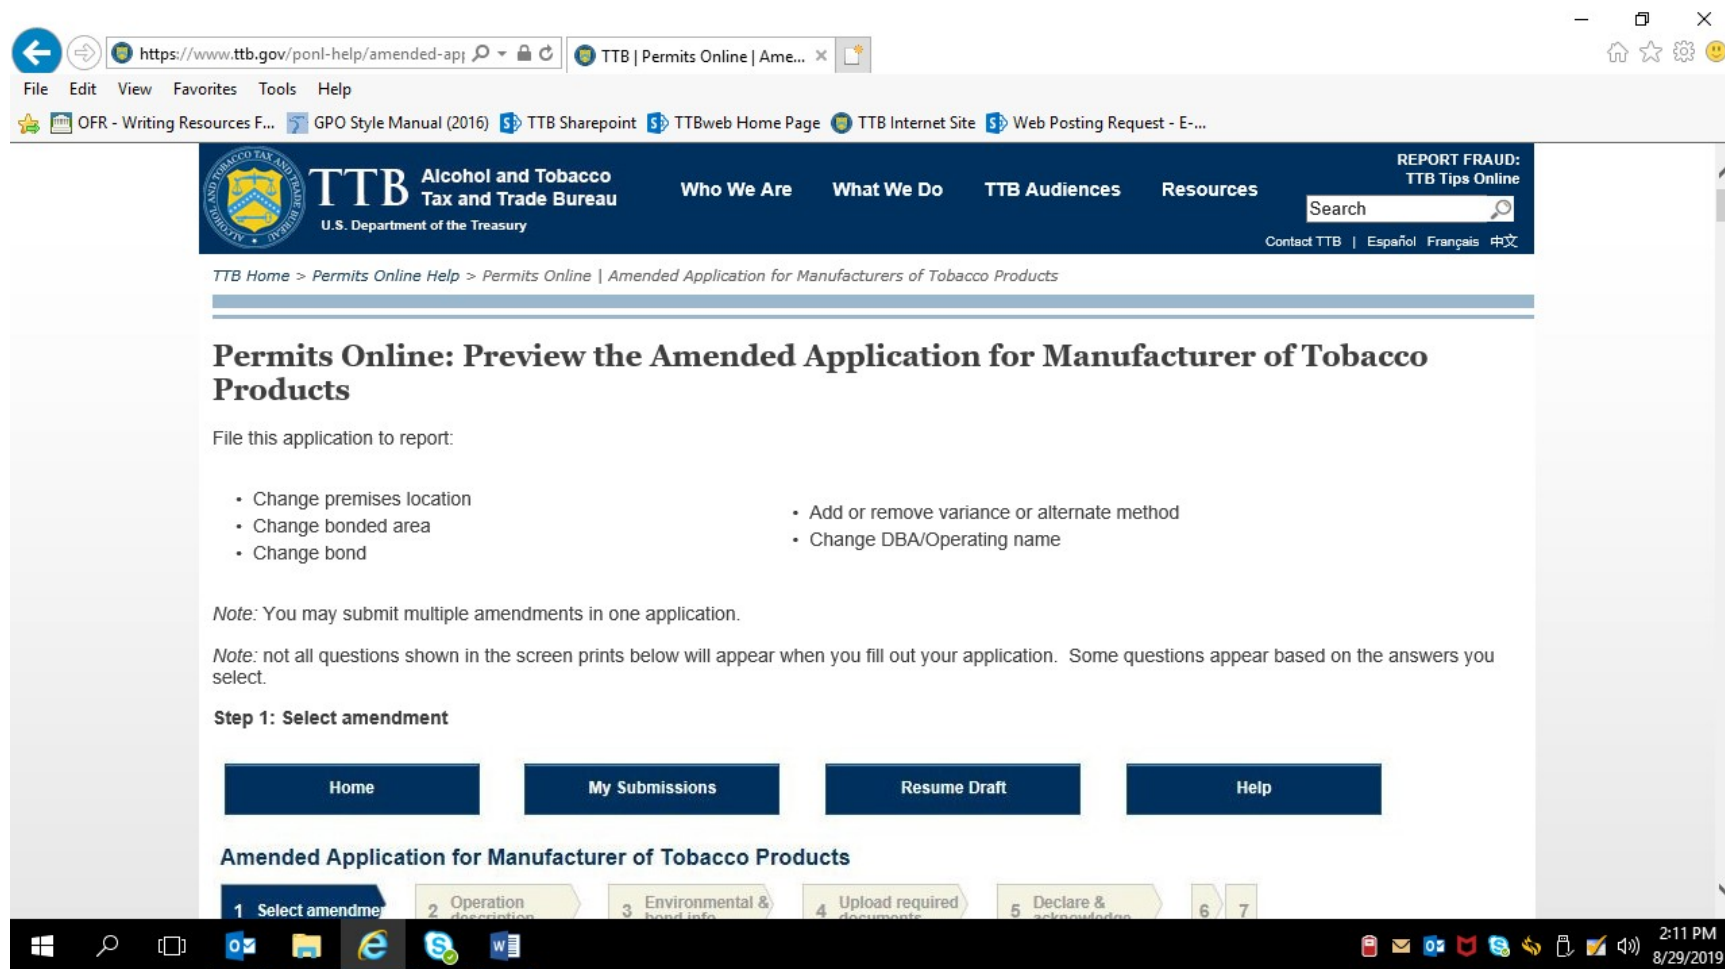

I declare under penalties of perjury under the laws of the United States of America, that I have examined this application, including accompanying statements, and to the best of my knowledge and belief, it is true, correct, and complete.: *

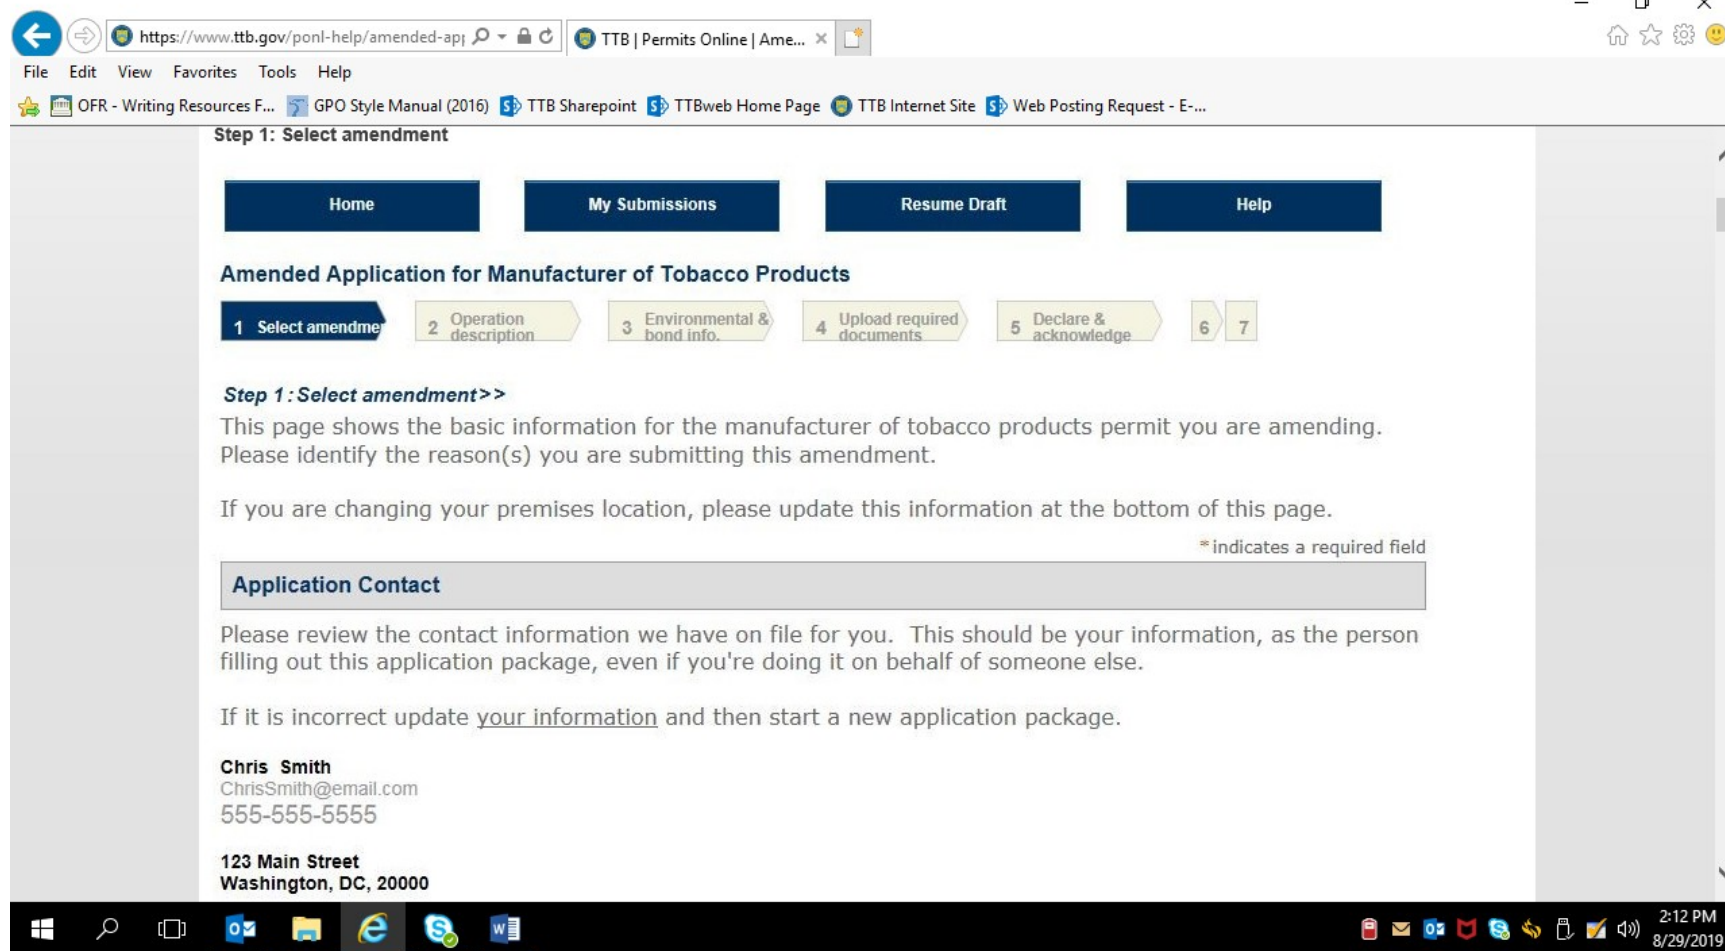

Declaration Date: *

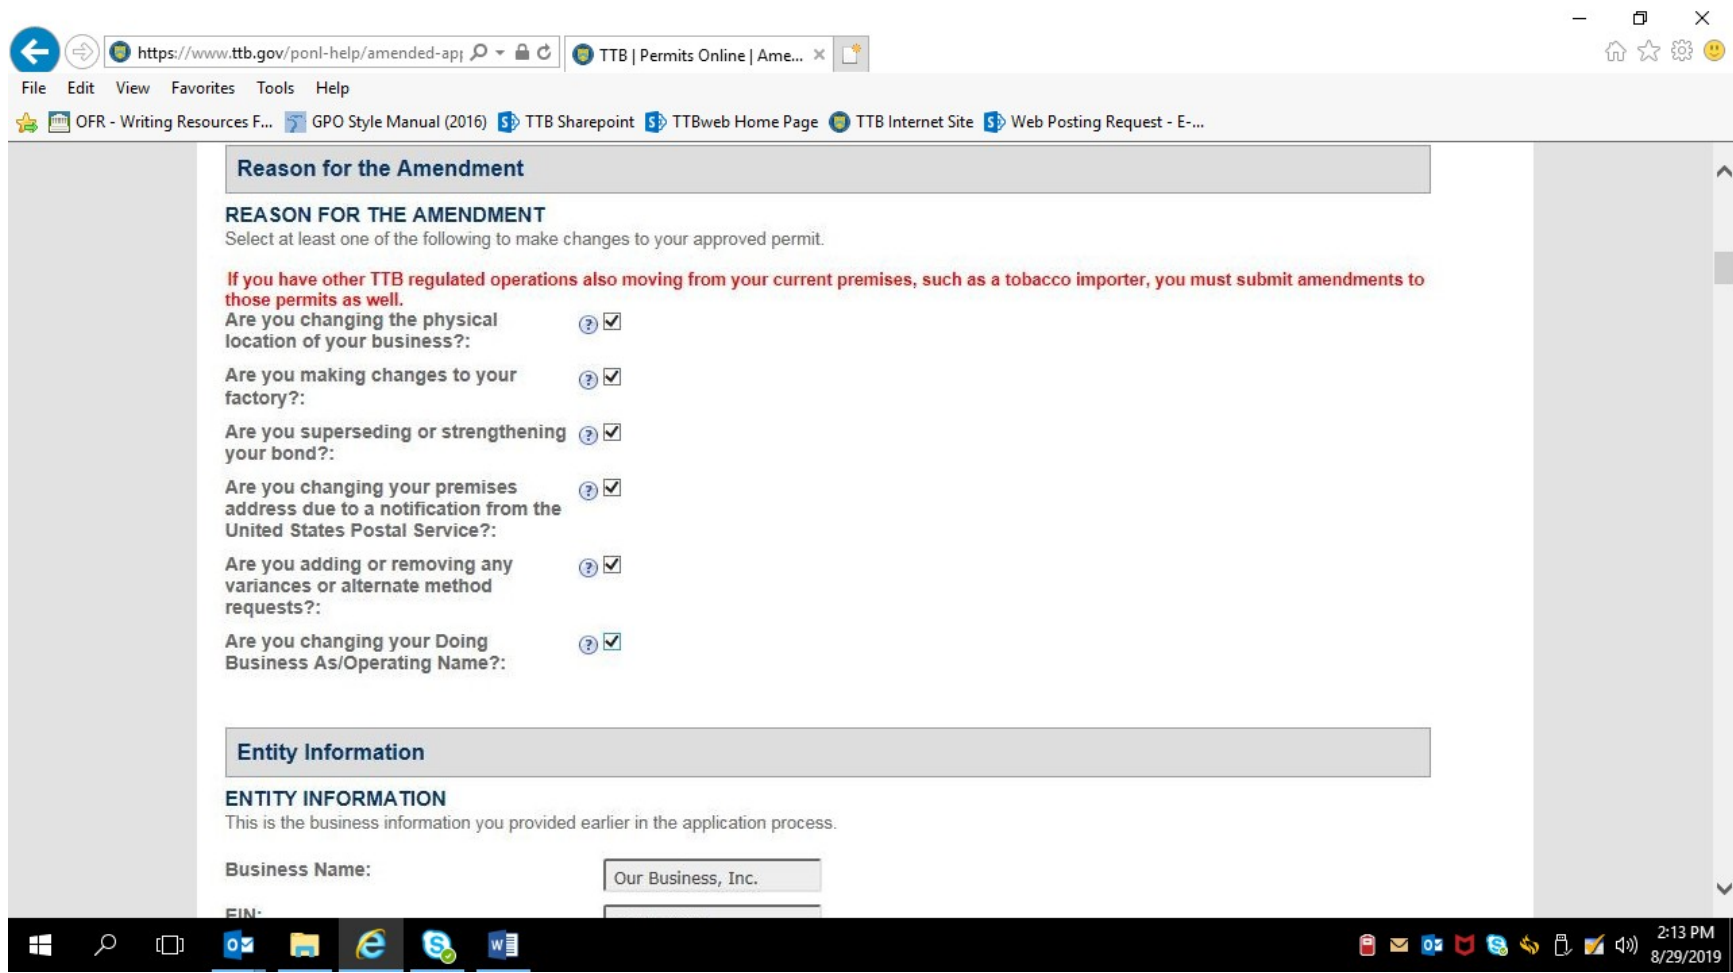

At the bottom of the page, there are two buttons: "Continue »" and "« Back to Application Package". On the right side, there is a "Save and resume later:" button with a folder icon.

The Windows taskbar is visible at the bottom of the screenshot, showing the time as 2:11 PM on 8/29/2019.
