<<MGLS:2017 LOGO>>

Dear <School Administrator>,

Thank you again for agreeing to participate in the Middle Grades Longitudinal Study of 2017-18 (MGLS:2017)! Please use the link below to complete the online survey.

To access the survey, please click here <<HYPERLINK TO SURVEY>> or log into:

<https://surveys.nces.ed.gov/mgls/>

Study ID: «AdminID»

Password: «AdminPWD»

Gathering the following information in advance for the current school year will help you complete the survey more quickly:

- Average daily attendance
- Math curriculum information
- Matriculation information
- Student body demographic information, including the number of students in the total student body who are:
 - English language learners
 - Alternative program attendees
- School personnel counts such as the:
 - Number of teachers by subject taught
 - Number of security personnel
- Programs, services, and supports available for students with IEPs and the percentage of students who use them

Please do not hesitate to contact mglstaff@rti.org if you have any questions. The survey should take you approximately 40 minutes to complete. Your participation is voluntary and very important to the success of this study.

Thank you for your support of this important study of middle grade students!

Sincerely,

<<NCES Official's Name and Title>>

SUBJ: MGLS:2017 Teacher Survey Invitation

Dear <<TEACHER NAME>>,

We are grateful for your school's participation in the U.S. Department of Education's **Middle Grades Longitudinal Study of 2017-18 (MGLS:2017)**. You are receiving this invitation to participate in a teacher survey because a student(s) you teach is part of MGLS:2017. **Please use the login credentials provided below to complete your teacher survey.**

To access the <<math/special education>> teacher survey, please click here <<HYPERLINK TO SURVEY>> or log into:

<https://surveys.nces.ed.gov/mgls/>

Study ID: <<studyID>>

Password: <<TeacherPWD>>

As a <math/ special education> teacher at <school name>, you provide essential information about academic policies and programs, activities and curriculum in the classroom, and other school related experiences that impact student learning. **Your participation is voluntary and very important to the success of this study.**

<FOR MATH TEACHERS ONLY: The survey will include several general questions about your background and experiences at school and in the classroom, as well as questions about specific students that are part of the study. The questions on your background and classroom experiences will take approximately 20 minutes to complete, and the questions about specific students will take about 7 minutes per student to complete.>

<FOR SPECIAL EDUCATION TEACHERS ONLY: The survey will include several general questions about your background and the special education services you provide at the school, as well as questions about specific students that are part of the study. The questions on your background and special education services provided will take about 10 minutes to complete, and the questions about specific students will take approximately 20 minutes per student to complete.>

<<INCENTIVE FILL—DISPLAY IF DISTRICT ALLOWS INCENTIVE: As a token of our appreciation, you will receive **\$20** for answering the questions about your background, and **\$7 per student questionnaire.** >>

<<CONDITIONAL FILL—DISPLAY IF TEACHER IS MARKED AS BOTH MATH AND SPECIAL ED: We recognize that you have been asked to complete two surveys for this study. This is because your school indicated that you provide both math instruction and special education services to students. The surveys have different login information, and you will receive two emails with the specific information needed to access each. We hope that you will consider completing both. <<IF INCENTIVE: If you do, you will be sent incentives for both surveys.>>>>

Appendix MS2-W.5a. Email Invitation for Out-of-School Participation, Student Respondent (new)

Dear <Student Name>:

Congratulations! You have been selected to participate in the Middle Grades Longitudinal Study of 2017-18 or MGLS:2017. This is your chance to not only improve education for yourself and other students, but you will also earn \$20 and 2 hours of volunteer service from the U.S. Department of Education.

All we are asking you to do is to take about 75 minutes to complete a short survey and answer some reading and math questions.

Here is the information you need to participate:
