

2019 EIA Web Product Survey – *International Energy Outlook*

Question 1. How often do you view information in the EIA’s *International Energy Outlook* (IEO)?

(Choose one of the following)

- A. Once a week
- B. Once a month
- C. Once a quarter
- D. Once every six months
- E. Once a year or less -> (follow-up question) Is there a reason you do not view the IEO more frequently? (Please specify: ~ ~Answer is open-ended)
- F. First time visitor -> (follow-up question) Did the information meet your needs?
(Choose one that applies)
 - 1. Yes
 - 2. Yes but only some of the information
 - 3. No ((Please specify: ~ ~Answer is open-ended)

Question 2. What information is the most important to you in and about the IEO?

(Choose all that apply)

- A. Data tables
- B. International Energy Outlook Report PDF or PowerPoint version
- C. Issue in Focus Articles
- D. Key takeaway infographics
- E. Press release presentation
- F. Today in Energy articles
- G. Other (Please specify: ~ ~Answer is open-ended)

Question 3. How do you use the information in the IEO?

(Choose all that apply)

- A. Write a report or article
- B. Prepare a briefing or presentation
- C. Conduct quantitative analysis
- D. Stay informed of issues shaping the world’s energy markets
- E. Make a business decision
- F. Make an environmental decision
- G. Research a topic
- H. Other (Please specify – Answer is open-ended)

Question 4. Which content is most useful to you in the IEO?

(Choose all that apply)

- A. Fuel supply trends (production, trade, imports, and exports)
- B. Energy consumption trends (e.g., transportation, buildings, or industrial sectors)
- C. Electricity capacity and power generation
- D. Emission trends (regional emissions and sources)
- E. Other *(Please specify; answer is open-ended)*

Question 5. What changes would you like to see in the content in the IEO?

(Choose all that apply)

A. Analysis text -> (follow-up question)

(Choose all that apply)

a. Fuel supply trends (production, trade, imports, and exports)

(Choose all that apply)

1. No change necessary, it covers the information that I need
2. Make it easier to find the most recent updated information
3. Does not cover the information that I need *(Please specify: ~Answer is open-ended)*
4. Too detailed *(Please specify: ~ ~Answer is open-ended)*
5. Not detailed enough *(Please specify: ~ ~Answer is open-ended)*
6. Not timely enough *(Select all that apply)*
 - i. Update sections when new information is available
 - ii. Need more current developments and projects
 - iii. Update the data more frequently
 - iv. Other *(Please specify: ~ ~Answer is open-ended)*

b. Energy consumption trends (e.g., transportation, buildings, or industrial sectors)

-> (follow-up question)

(Choose all that apply)

1. No change necessary, it covers the information that I need
2. Make it easier to find the most recent updated information
3. Does not cover the information that I need *(Please specify: ~Answer is open-ended)*
4. Too detailed *(Please specify: ~ ~Answer is open-ended)*
5. Not detailed enough *(Please specify: ~ ~Answer is open-ended)*
6. Not timely enough *(Select all that apply)*
 - i. Update sections when new information is available
 - ii. Need more current developments and projects
 - iii. Update the data more frequently
 - iv. Other *(Please specify: ~ ~Answer is open-ended)*

c. Electricity capacity and power generation

-> (follow-up question)

(Choose all that apply)

1. No change necessary, it covers the information that I need
2. Make it easier to find the most recent updated information
3. Does not cover the information that I need (*Please specify: ~Answer is open-ended*)
4. Too detailed (*Please specify: ~ ~Answer is open-ended*)
5. Not detailed enough (*Please specify: ~ ~Answer is open-ended*)
6. Not timely enough (*Select all that apply*)
 - i. Update sections when new information is available
 - ii. Need more current developments and projects
 - iii. Update the data more frequently
 - iv. Other (*Please specify: ~ ~Answer is open-ended*)

d. Emission trends (regional emissions and sources)

-> (follow-up question)

(Choose all that apply)

1. No change necessary, it covers the information that I need
2. Make it easier to find the most recent updated information
3. Does not cover the information that I need (*Please specify: ~Answer is open-ended*)
4. Too detailed (*Please specify: ~ ~Answer is open-ended*)
5. Not detailed enough (*Please specify: ~ ~Answer is open-ended*)
6. Not timely enough (*Select all that apply*)
 - i. Update sections when new information is available
 - ii. Need more current developments and projects
 - iii. Update the data more frequently
 - iv. Other (*Please specify: ~ ~Answer is open-ended*)

B. Data, charts/graphs, maps, and tables -> (follow-up question)

(Choose all that apply)

a. Fuel supply trends (production, trade, imports, and exports)

(Choose all that apply)

1. No change necessary, it covers the information that I need
2. Make it easier to find the most recent updated information
3. Make them easier to understand (*Please specify: answer is open-ended*)
4. Include more data, charts/graphs, and maps (*Please specify: answer is open-ended*)
5. Not timely enough (*Please specify: answer is open-ended*)
6. Other comments (*Please specify: answer is open-ended*)

b. Energy consumption trends (e.g., transportation, buildings, or industrial sectors)

(Choose all that apply)

1. No change necessary, it covers the information that I need

2. Make it easier to find the most recent updated information
3. Make them easier to understand (*Please specify: answer is open-ended*)
4. Include more data, charts/graphs, and maps (*Please specify: answer is open-ended*)
5. Not timely enough (*Please specify; answer is open-ended*)
6. Other comments (*Please specify: answer is open-ended*)

c. Electricity capacity and power generation

(Choose all that apply)

1. No change necessary, it covers the information that I need
2. Make it easier to find the most recent updated information
3. Make them easier to understand (*Please specify: answer is open-ended*)
4. Include more data, charts/graphs, and maps (*Please specify: answer is open-ended*)
5. Not timely enough (*Please specify; answer is open-ended*)
6. Other comments (*Please specify: answer is open-ended*)

d. Emission trends (regional emissions and sources)

(Choose all that apply)

1. No change necessary, it covers the information that I need
2. Make it easier to find the most recent updated information
3. Make them easier to understand (*Please specify: answer is open-ended*)
4. Include more data, charts/graphs, and maps (*Please specify: answer is open-ended*)
5. Not timely enough (*Please specify; answer is open-ended*)
6. Other comments (*Please specify: answer is open-ended*)

Question 6. EIA publishes data in multiple formats in the IEO. How do you most often access the data?

(Choose one of the following)

- A. API
- B. Bulk data download
- C. Data embedded in PowerPoint slide deck
- D. Excel file download
- E. Online table browser
- F. PDF file download
- G. WEPS+ Model archive
- H. I don't access the data
- I. Other (*Please specify: answer is open-ended*)

Question 7. Do you use information other than EIA's international energy outlook for international energy data?

(Choose one of the following)

- A. Yes, there are alternative energy forecasts that meet my needs.
(Please specify – Answer is open-ended)
- B. No, EIA energy outlook is the only information that meets my needs.

Question 8. Do you live in the United States?

(Choose one of the following)

- A. Yes -> follow-up question Which category best describes you or your organization?**

(Choose one of the following)

- 1. Government
- 2. Business/Industry/Consulting/Finance
Please specify:
(Choose one of the following)
 - i. Energy
 - ii. Non-energy
- 3. Education
- 4. Trade association/Nonprofit
- 5. Other *(Please specify: answer is open-ended)*

- B. No -> follow-up question Which continent do you live in?**

(Choose one of the following)

- A. Africa -> follow-up question Which category best describes you or your organization?**

(Choose one of the following)

- 1. Government
- 2. Business/Industry/Consulting/Finance
Please specify:
(Choose one of the following)
 - i. Energy
 - ii. Non-energy
- 3. Education
- 4. Trade association/Nonprofit
- 5. Other *(Please specify: answer is open-ended)*

- B. Asia -> follow-up question Which category best describes you or your organization?**

(Choose one of the following)

1. Government
2. Business/Industry/Consulting/Finance

Please specify:

(Choose one of the following)

- i. Energy
 - ii. Non-energy
3. Education
 4. Trade association/Nonprofit
 5. Other *(Please specify: answer is open-ended)*

C. Australia -> follow-up question Which category best describes you or your organization?

(Choose one of the following)

1. Government
2. Business/Industry/Consulting/Finance

Please specify:

(Choose one of the following)

- i. Energy
 - ii. Non-energy
3. Education
 4. Trade association/Nonprofit
 5. Other *(Please specify: answer is open-ended)*

D. Europe -> follow-up question Which category best describes you or your organization?

(Choose one of the following)

1. Government
2. Business/Industry/Consulting/Finance

Please specify:

(Choose one of the following)

- i. Energy
 - ii. Non-energy
3. Education
 4. Trade association/Nonprofit
 5. Other *(Please specify: answer is open-ended)*

E. North America -> follow-up question Which category best describes you or your organization?

(Choose one of the following)

1. Government
2. Business/Industry/Consulting/Finance

Please specify:

(Choose one of the following)

- i. Energy
- ii. Non-energy

3. Education
4. Trade association/Nonprofit
5. Other (*Please specify: answer is open-ended*)

F. South America -> *follow-up question* Which category best describes you or your organization?

(Choose one of the following)

1. Government
2. Business/Industry/Consulting/Finance

Please specify:

(Choose one of the following)

- i. *Energy*
- ii. *Non-energy*
3. Education
4. Trade association/Nonprofit
5. Other (*Please specify: answer is open-ended*)

Question 9. Anything else you want to tell us about the IEO?

~~~Answer is open-ended~~~
