

Attachment T20. Seamless Summer Option School Data and Meal Pattern Error Form (SSO S-1)

This information is being collected from State agencies, school food authorities, schools. This is a revision of a currently approved information collection. The Richard B. Russell National School Lunch Act (NSLA) 42 U.S.C. § 1758, as amended, authorizes the National School Lunch Program (NSLP). This information is required to administer and operate this program in accordance with the NSLA. Under the Privacy Act of 1974, any personally identifying information obtained will be kept private to the extent of the law. According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0584-0006. The time required to complete this information collection is estimated to average 47.5 hours of reporting burden per response. The burden consists of the time it takes for the State agency to conduct the off-site portion of the review which includes scheduling of the review and the completion of the Off-site Assessment, Resource Management Risk Indicator, and Site Selection Tools. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: U.S. Department of Agriculture, Food and Nutrition Services, Office of Policy Support, 3101 Park Center Drive, Room 1014, Alexandria, VA 22302, ATTN: PRA (0584-0006). Do not return the completed form to this address.

**INSTRUCTIONS FOR
School Data and Meal Pattern Error Form (S-1)**

- 1a) Indicate the type of school by checking [X] as many categories as apply.
- 1b) Check [x] for the type of site based on type of eligibility.
- 1c) Check [X] all types of meal service which apply to this individual school for both breakfast, snack, and lunch/supper meal service. If applicable, enter the name(s) of the company(ies).
- 1d) Indicate whether the school offers Nonprogram foods.
- 1e) Indicate whether the school implements Offer versus Serve. If YES, enter the number of required items for a reimbursable meal.
- 1f) Check [X] all types of approved meal service at this site and indicate approved meal service times.
NOTE: A maximum of two meals, such as lunch and breakfast, or lunch and a snack, or breakfast and a snack, may be served per day per child at all sites, except migrant sites and camps. At migrant sites and camps, a maximum of three meals may be served, such as breakfast, lunch and a snack. Only migrant sites and camps may be reimbursed for lunch and supper served to the same children on the same day.
For camps, both residential and non-residential, only the meals served to income eligible children (based on free/reduced price applications) can be claimed for reimbursement. These meals are served to eligible free and reduced priced children under the free reimbursement rate.
- 1g) 4. Check [X] all types of observed meal service at this site and indicate observed meal service times.
- 2) Indicate whether applications are used at the site and if the process is paper or electronic.
- 3) **Select the grades from this school that participate in the SBP and NSLP. For example, if the children in grades K -12 have access to the NSLP, the selections that represents grades K-12 should be selected. (K-5, 6-8, and 9-12)**
- 4) Enter the total number of students who have access to the SBP and NSLP at this school. For example, if kindergarten children attend the school but do not have access to the NSLP, this grade must be excluded from grades that participate in the NSLP. This figure should encompass the time period for the review period. If this number is not available, use the number which is most representative of the review period. For schools on Year Round Multi-track Schedules, enter only the number of students that has access during the review period. If two or more tracks were in attendance for only part of the review period, the reviewer must obtain information for each of the time periods represented by the various tracks of students. Reviewers should identify if there are visiting students that will be served in the cafeteria or students not in school for reasons such as field trips or sickness on the day of review and/or review period. Record any instances in the comments section.
- 5) Enter the number of points where meal counts are taken for both breakfast and lunch.
- 6) For the Day of Review, record the number of breakfasts and lunches served to ineligible and/or unallowable second breakfasts and/or lunches counted for reimbursement. This would include any meals disallowed as a result of edit check activities.
- 7) For the Day of Review, record the total number of breakfasts and lunches served and counted for reimbursement from a meal service line that was missing a required component or breakfasts and/or lunches being counted as reimbursable at the Point of Service which were missing a required component. This includes meals where the required minimum amount of fruits and/or vegetables is not selected under OVS. Only those meals served in error to eligible students are recorded in this section.
- 8a and 8b) For the Day of Review, check the appropriate category and record the total number of breakfasts and/or lunches served and claimed for reimbursement that were incomplete due to violations in the meal pattern requirements for milk types, vegetable sub-groups, food quantities, whole grain rich foods and dietary specifications that will be subject to fiscal action. Only those meals served in error to eligible students are recorded in this section.
- 9) Enter the school's counts and the reviewer's counts for the Day of Review. Calculate and record the difference. Differences with a positive (+) sign indicate an underclaim; those with a negative (-) sign indicate an overclaim.
