Rural Housing Service

Title: 7 CFR 1924-F, Complaints and Compensation Defects.

OMB Control Number: 0575-0082.

Summary of Collection: Section 509C of Title V of the Housing Act of 1949, as amended, authorizes the Rural Housing Service (RHS) to pay the costs for correcting defects or compensate borrowers of Section 502 Direct loan funds for expenses arising out of defects with respect to newly constructed dwellings and new manufactured housing units with authorized funds. This regulation provides instruction to all RHS personnel to enable them to implement a procedure to accept and process complaints from borrowers/owners against builders and dealers/contractors, to resolve the complaint informally. When the complaint involves structural defects which cannot be resolved by the cooperation of the builder or dealer/contractor, it authorizes expenditure to resolve the defect with grant funds. Resolution could involve expenditure for (1) repairing defects; (2) reimbursing for emergency repairs; (3) pay temporary living expenses or (4) convey dwelling to RHS with release of liability for the RHS loan.

Need and Use of the Information: The information is collected from agency borrowers and the local agency office serving the county in which the dwelling is located. This information is used by Rural Housing Staff to evaluate the request and assist the borrower in identifying possible causes and

corrective actions. The information is collected on a case-by-case basis when initiated by the borrower. Without this information, RHS would be unable to assure that eligible borrowers would receive compensation to repair defects to their newly constructed dwellings.

Description of Respondents: Business or for-profit.

Number of Respondents: 100.

Frequency of Responses: Reporting: On occasion.

Total Burden Hours: 40.
