Internet Self-Response

September 2018

### Why should I respond?

- It's quick and easy. The 2020 Census questionnaire will take about 10 minutes to complete.
- It's safe, secure, and confidential. Your information and privacy are protected.
- Your response helps to direct billions of dollars in federal funds to local communities for schools, roads, and other public services.
- Your response helps your community create jobs, provide housing, prepare for emergencies, and build schools, roads and hospitals.
- Results from the 2020 Census will be used to determine the number of seats each state has in the U.S. House of Representatives and your political representation at all levels of government.

### What to expect

The U.S. Census Bureau asks general questions about the household, including how many people live in the house and if the home is owned or rented.

For each person living in the household, we also ask for the name, relationship to householder, sex, age/date of birth, Hispanic origin, race, citizenship, and whether or not the person sometimes lives or stays somewhere else.

### Getting started:

- You must complete your questionnaire once you begin. If you leave the questionnaire and return later, you will have to start over.
- Do not use the web browser buttons (back, forward, or close browser). Use the buttons within the questionnaire to navigate.
- Enable pop-ups and cookies.
- For best results, use the latest version of Chrome, Firefox, Internet Explorer, or Safari.

## POPCOUNT (Help)

### Help

Enter the number of people that will be living or staying at CHICAGO IL 60615 most of the time, as of April 1, 2020.

Our goal is to count people once, only once, and in the right place, according to where they will be living on April 1, 2020. Keeping this goal in mind, we ask you to use our guidelines to determine who to count at CHICAGO IL 60615.

- Count people where they usually live and sleep.
- For people with more than one place to live, count them at the place where they sleep most of the time.
- For people who will be moving from one residence to another, count them at the residence where they will be living on April 1, 2020.
- For people who do not have a usual residence, or who cannot determine a usual residence, count them where they will be staying on April 1, 2020.

Using those guidelines, be sure to **INCLUDE** the following types of people if they will be living or staying at CHICAGO IL 60615 most of the time around April 1, 2020:

- Babies and children of all ages (even newborns and infants), including biological, step, and adopted children, as well as grandchildren, foster children, and children in joint custody arrangements.
- Any other close or extended family members living there, even partners, grandparents, cousins, in-laws, etc.
- People who are not related to you, such as roommates, boarders, friends, or live-in employees.
- People who will be staying at CHICAGO IL 60615 on April 1, 2020 for a short or indefinite period of time, without a permanent place to live.

Do NOT include:

- College students who live away from CHICAGO IL 60615 most of the year.
- Armed forces personnel who live away.
- People who, on April 1, 2020, will be in a nursing home, mental hospital, jail, prison, detention center, etc.
- People visiting CHICAGO IL 60615 on April 1, 2020 who usually live and sleep somewhere else.

#### Why are you asking about the people at this address?

Establishing an accurate count is critical for determining how many representatives a state should have in Congress, and population counts are factored into the distribution of hundreds of billions of dollars from more than 100 federal programs.

By law, the Census Bureau can only use your responses to produce
