**Patent Petition Related to Application and Reexamination Processing Fees**  
**OMB Control Number 0651-0059**

Background

The United States Patent and Trademark Office (USPTO) administers the Leahy-Smith America Invents Act (AIA), which sets or adjusts patent fees established, authorized, or charged under Title 35, United States Code (U.S.C.). Section 10 prescribes that fees may be set or adjusted only to recover the aggregate estimated costs to the Office for processing, activities, services, and materials related to the patent and trademark processes. Section 10 authorities also includes flexibility to set individual fees in a way that furthers key policies factors, while taking into account the cost of the respective services.

This request is to update the fees attached to collection 0651-0059 (Patent Petitions Related to Applications and Reexamination Processing Fees). There are two fees being adjusted as a result of the 2019 Patent Biennial Fee Review (RIN0651-Ad31), which was published in the Federal Register (July 31, 2019).
