REGISTRATION AND BALLOT REQUESTS

The following questions will help us better understand your State's standard procedures for processing registration and ballot requests during the 2020 General Election. Most of these questions ask about UOCAVA citizens and the Federal Post Card Application (FPCA), described below:

UOCAVA Citizens: U.S. citizens who are active members of the Uniformed Services, their eligible family members or U.S. citizens residing outside of the United States.

FPCA: The FPCA is a single form that can be used to register to vote and/or request an absentee ballot for federal elections.

Each State has unique policies, so you might not see an answer that exactly represents your State's procedures. Please select the answer to each question that best represents your State's procedures. If you would like to add any additional comments about your State's procedures, please do so in your answer to Question 35 at the end of the survey.

BALLOT PROCESSING

QPROTECT

20. Military members and U.S. citizens residing overseas may request absentee ballots using different forms, including FPCAs and State forms. We are interested in whether these types of voters receive the same UOCAVA protections if they use non-FPCA forms.

From the list below, mark all types of absentee ballot request forms that would allow a military member, eligible family member, or U.S. citizen residing overseas to receive UOCAVA protections in your State.

- 1 FPCA
- 2 State form with a UOCAVA classification selected
- 3 State form without a UOCAVA classification selected, but otherwise indicates the voter is covered under UOCAVA (e.g., voter has an overseas mailing address)
- 4 Any other form that indicates the voter is covered under UOCAVA

The following questions will help us better understand your State's standard procedures for processing backup ballots during the 2020 General Election. Most of these questions ask about UOCAVA citizens and the Federal Write-In Absentee Ballot (FWAB), described below:

UOCAVA Citizens: U.S. citizens who are active members of the Uniformed Services, their eligible family members or U.S. citizens residing outside of the United States.

FWAB: The FWAB is a single form that can be used as a back-up absentee ballot for UOCAVA voters who have not yet received their ballot. Many States have expanded use of the FWAB for other purposes, such as voter registration.

Each State has unique policies, so you might not see an answer that exactly represents your State's procedures. **Please select the answer to each question that best represents your State's procedures.** If you would like to add any additional comments about your State's procedures, please do so in your answer to Question 35 at the end of the survey.
