

2019 USTRANSCOM Training Assessment Survey

The public reporting burden for this collection of information, 0704-0553, is estimated to average 15 mins per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or burden reduction suggestions to the Department of Defense, Washington Headquarters Services, at whs.mc-alex.esd.mbx.dd-dod-information-collections@mail.mil. Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number.

This survey is being conducted to determine training requirements of USTRANSCOM personnel and organizations.

Applicable Definitions:

Collective joint training is defined as instruction and applied exercises that prepare organizational teams to integrate and synchronize owned and provided capabilities to execute assigned missions.

Individual joint training is defined as training that prepares individuals to perform duties in joint organizations (e.g., specific staff positions or functions) or to operate uniquely joint systems.

Education is defined as: 1. The act or process of imparting or acquiring general knowledge, developing the powers of reasoning and judgment, and generally preparing oneself or others intellectually for mature life. 2. The act or process of imparting or acquiring particular knowledge or skills, as for a profession.
