Dear Kevin Davis:

On 11/26/2018, the IRB reviewed the following submission:

Type of Review:	Modification and Continuing Review
Title:	Evaluation of CDC's National Tobacco Education Campaign
Investigator:	Kevin Davis
IRB ID:	MODCR00000108 for 13483
Funding Source:	CDC NCCDPHP
Customer/Client Name:	CDC NCHM
Project/Proposal Number:	0215018.001
IND, IDE, or HDE:	None

The IRB approved the modification and continuing review from 11/26/2018 to 11/25/2019. This modification was adding materials previously approved by the IRB into the IRB Express system as part of the transition from a paper-based system to an online electronic IRB system. Before 11/25/2019 or within 30 days of study close, whichever is earlier, you are to submit a completed continuing review and required attachments to request continuing approval or closure. You can submit a continuing review by navigating to the active study and clicking Create Modification / CR.

If continuing review approval is not granted before the expiration date of 11/25/2019, approval of this study expires on that date.

In conducting this protocol, you are required to follow the requirements listed in the Investigator Manual (HRP-103), which can be found by navigating to the IRB Library within the IRB system.

Sincerely,
The RTI Office of Research Protection
