

Comment: One commenter submitted a request for the FDA to implement mandatory labeling in prescription medications under the same guidelines as food, in order to identify any potential allergens.

Response: This comment is outside the scope of this information collection request and that of CMS. We suggest that the commenter contact FDA by phone (1-888-463-6332) or review their webpage at: <https://www.fda.gov/about-fda/contact-fda> for the various FDA email options available.
