

aliens and are used to collect information on citizenship, residency, passport, and contact information. The data elements collected on these forms enable the Department of Homeland Security (DHS) to perform its mission related to the screening of alien visitors for potential risks to national security and the determination of admissibility to the United States. The Electronic System for Travel Authorization (ESTA) applies to aliens seeking to travel to the United States under the Visa Waiver Program (VWP) and requires that VWP travelers provide information electronically to CBP before embarking on travel to the United States without a visa. Travelers who are entering the United States under the VWP in the air or sea environment, and who have a travel authorization obtained through ESTA, are not required to complete the paper Form I-94W. I-94 is provided for by 8 CFR 235.1(h), ESTA is provided for by 8 CFR 217.5.

Recent Changes

On November 27, 2017, the Secretary of State designated DPRK, as a State Sponsor of Terrorism, or SST. Countries determined by the Secretary of State “to have repeatedly provided support for acts of international terrorism” are considered to have been designated as “state sponsors of terrorism.”

Section 217(a)(12)(A)(i) of the Immigration and Nationality Act, 8 U.S.C. 1187(a)(12)(A)(i) bars from travel under the Visa Waiver Program (VWP) nationals of VWP program countries who have “been present, at any time on or after March 1, 2011,” . . . “in a country that is designated by the Secretary of State” as a SST.

To meet the requirements and intent of the law and to keep ESTA and Form I-94W aligned, DHS is strengthening the security of the United States through enhancements to the ESTA application, and Form I-94W. Existing questions that request information from applicants/enrollees about countries to which they have traveled on or after March 1, 2011; countries of which they are citizens/nationals; and countries for which they hold passports are being revised to include, the DPRK.

Under the Emergency Clearance request process DHS has recently added DPRK to the following question to ESTA and Form I-94W (no change has been made to Form I-94): “Have you traveled to, or been present in Iran, Iraq, Syria, Sudan, Libya, Somalia, Yemen, or the Democratic People’s Republic of Korea (North Korea) on or after March 1, 2011? If yes, provide the country, date(s) of travel, and reason for travel.”

Form Number: N/A.

Current Actions: This submission is being made to extend the expiration date of this information collection with no changes to the burden hours or the information collected.

Type of Review: Extension (with no change).

Affected Public: Individuals.

Abstract: The Electronic Visa Update System (EVUS) allows for the collection of biographic and other information from nonimmigrant aliens who hold a passport issued by an identified country containing a U.S. nonimmigrant visa of a designated category. The EVUS requirement is currently limited to nonimmigrant aliens holding unrestricted, maximum validity B–1 (business visitor), B–2 (visitor for pleasure), or combination B–1/B–2 visas contained in a passport issued by the People's Republic of China.

EVUS provides for greater efficiencies in the screening of international travelers by allowing DHS to identify
