Explosives Detection Canine and Passenger Screening Canine Handler Courses
**Supervisor Post-Graduate Evaluation**

Welcome to the Explosives Detection Canine (EDC) and Passenger Screening Canine (PSC) Handler Courses Supervisor Post-Graduate Evaluation, administered by TSA Training and Development.  The purpose of this evaluation is to determine to what extent your canine handler has been able to apply the knowledge and skills learned in the training to perform the job.  Please rate the items candidly and share additional comments you may have concerning the course.  Please do not provide any Personally Identifiable Information (PII) when writing comments.  Your feedback will help the Canine Training Center management and program managers determine how effectively the course has been in equipping your canine handler with the knowledge and skills needed to perform canine handler responsibilities. Your answers will remain confidential and will not be                    traced back to you by any means.
