

**Department of
Veterans Affairs**

Memorandum

Date: September 27, 2019

From: Stacey Echols, Deputy Director, Health Eligibility Center

Subject: Non-Substantive Change for OMB Control 2900-0091

To: VA Desk Officer, Office of Management & Budget (OMB)

Cc: Interim VA Clearance Officer, Danny S. Green
Office of Quality, Performance and Risk (OQPR)

1. See the following updated, additional, and/or new information for OMB Control 2900-0091:

a. **Updates:** This non-substantive change for 2900-0091 reflects no increase in respondent burden hours. Specific language updates were made to VA Forms 10-10EZ and 10-10EZR pursuant to the MISSION Act of 2018. There were no changes made to the supporting statement.

b. **Supplementary Documents:** A summary of the updates to VA Forms 10-10EZ and 10-10EZR has been included with this memorandum under 2900-0091.

c. **New Information:** There is no new information request associated with the collection.
