More than 500 employers are now a part of the Employers of National Service program which recognizes the valuable skills gained by more 1 million Americans who have participated in AmeriCorps since 1994 and the

215,000 who have participated in the Peace Corps since 1961. Through this initiative, employers have increased access to a dedicated, highly qualified, and mission-oriented pool of potential employees, and national service alumni have additional opportunities to apply their skills in the workplace. If you are interested in learning more about becoming an Employer of National Service, please [click here](#) for more information.

Thank you for completing the survey!
