## For Official Use Only CORPORATION FOR NATIONAL AND COMMUNITY SERVICE FORBEARANCE REQUEST FOR NATIONAL SERVICE FORM

Under the National and Community Service Act of 1990, as amended, borrowers serving in approved national service positions in AmeriCorps qualify for mandatory forbearance during service, which postpones the member's obligation to make loan payments. Federal Family Education Loan Program (FFELP) loan forbearances may be granted in increments of up to 12 months at a time. Members may reapply if they continue service. Forbearance is granted by the lender.

**Mandatory forbearance** for approved national service positions is available for the following educational loans: Federal Family Education Loans (Subsidized and Unsubsidized Stafford Loans, Supplemental Loans to Students (SLS), Consolidation Loans), William D. Ford Federal Direct Loans (Direct Subsidized and Unsubsidized Stafford/Ford Loans, and Direct Consolidation Loans), Federally Insured Student Loans (FISL), Health Education Assistance Loans (HEAL), Health Professions Student Loans (HPSL), Loans for Disadvantaged Students (LDS), Nursing Student Loans (NSL), and Primary Care Loans (PCL). Other deferments/forbearance may be available for Federal Perkins Loans and loans **made directly to the member** by a state agency.

During the service period interest continues to accrue. Upon successful completion of the term of service and receipt of an education award the National Service Trust will pay all or a portion of the interest that has accrued. If a member leaves service early for other than compelling personal circumstances, he or she will be responsible for payment of interest. If the interest is not paid it may be capitalized. If a member is past due on payments not covered by the forbearance period, the loan holder may grant an administrative forbearance to resolve the delinquency at the time this request is processed and may capitalize all unpaid interest.
