 - a. Ensure loan funds are not used for any unauthorized purpose.
 - b. Ensure borrower compliance with the covenants and provisions provided in the note, loan agreement, security instruments, any other agreements, and 7 C.F.R. Part 762.
 - c. Perform an annual analysis of the borrower's financial condition to determine the borrower's progress when required by Agency regulation.
 - d. Account for all collateral
 - e. Discuss any observations about the farm business with the borrower.
 - f. Ensure the borrower and any party liable for the loan is not released from liability for all or any part of the loan, except in accordance with Agency regulations.

PART E – SERVICING REQUIREMENTS (CONTINUED)

3. **Reporting Requirements** - The lender recognizes that the Agency, as guarantor, has a vital interest in ensuring that all acts performed by the lender regarding the subject loans are performed in compliance with this agreement and Agency regulations. Information on the status of guaranteed loans is necessary for this purpose, as well as to satisfy budget and accounting reporting required by the Department of Treasury and the Office of Management and Budget. The lender agrees to provide Agency with all the data required under Agency regulations and any additional information necessary to monitor the status of its guaranteed loan portfolio, and to satisfy external reporting requirements.
- The lender also agrees to provide to the Agency upon request, copies of audited financial statements, reports on internal controls, copies of compliance audits, and such other information that may be required of the Agency to monitor the lender's performance.
4. **Negligent Servicing** - The guarantee cannot be enforced by the lender to the extent a loss results from a violation of usury laws or negligent servicing regardless of when the Agency discovers such violation or negligence. Negligent servicing is defined as the failure to perform those services which would be considered normal industry standards of loan management or failure to comply with any servicing requirement of 7 C.F.R. Part 762 or the lender's agreement or the guarantee. The term includes the concept of a failure to act or failing to act timely consistent with actions of a reasonable lender in loan making, servicing, and collection.
5. **Payments** - Payments from the borrower shall be reviewed by the lender and processed upon receipt according to Agency regulations, and may include escrow premiums for hazard insurance and real estate taxes. The lender shall promptly disburse to any holder the holder's **pro rata** share according to their respective interests in the loan, less only the lender's servicing fee.
6. **Collateral**
- Insurance.** The lender shall ensure that adequate insurance is maintained in accordance with Agency regulations, including the maintenance of property, casualty, flood, and hazard insurance containing a loss payable clause in favor of the lender as the mortgagee or secured party.
 - Escrow Accounts.** The lender may establish separate escrow accounts. All escrow accounts must meet applicable Federal and State laws and regulations, and must be fully insured by the FDIC or other Federal or state regulatory agency or cross collateralized with unencumbered Government securities.
 - Inspection.** The lender shall inspect the collateral as often as necessary to properly service the loan and ensure the collateral is being properly maintained.
 - Taxes.** The lender shall ensure that taxes, assessments, or ground rents against or affecting collateral are paid.
7. **Delinquent Accounts**
- A guaranteed loan is in default after 30 days have passed and the borrower has not made a payment as due or has otherwise violated a loan agreement. The lender is responsible for resolution of the default. The lender will notify the Agency using an FSA default status report when a borrower is 45 days past due or otherwise in default. This report will be submitted every 60 days thereafter and will contain a summary of collection, restructuring or liquidation steps taken since the previous report.
 - The lender may take actions to correct the default as provided in 7 C.F.R. Part 762. A loan that has been sold on the secondary market can only be restructured if the loan is repurchased or upon written concurrence from the holder.
 - The lender will work in good faith with the borrower to allow them to cure the default, where reasonable. The lender must participate in mandatory farmer-creditor mediation in accordance with 7 C.F.R. Part 762, State law and the rules that govern the mediation program that operates in the State in which the borrower resides.
 - The lender must consider the borrower for interest assistance as provided in 7 C.F.R. Part 762. If the lender determines that default can be cured by rescheduling the loan with interest assistance, lender will request a determination of the borrower's eligibility by the Agency. Liquidation or foreclosure cannot be initiated until 60 days after consideration.
8. **Sales or Participation**
- The guaranteed portion of loans may be sold in accordance with 7 C.F.R. Part 762. Lines of credit cannot be sold, but may be participated with other lenders.
 - When a loan has been sold, the holder can demand that the lender repurchase the unpaid guaranteed portion of a loan in accordance with the FSA assignment of guarantee.
 - If the lender is unable to repurchase, the holder may make a demand for repurchase to the Agency. Repurchase by the Agency in no way alters lender responsibilities to the loan under this agreement or the loan guarantee. A restructuring action may not be executed once the Agency has repurchased the guaranteed portion of the loan and within 180 days the lender must reimburse the Agency for the repurchase or liquidate the loan in accordance with Agency regulations. Lender must send the pro rata share of the borrower's payments directly to the Agency until liquidation is complete.
 - Failure to reimburse the Agency within 180 days for repurchase, if not waived by the Agency, is a violation of this agreement.
9. **Default/Liquidation**
- Protective Advances.** Protective advances must constitute a debt of the borrower to the lender and be secured by the security instrument. Agency written authorization is required for protective advances in accordance with the terms and amounts specified by 7 C.F.R. Part 762. Terms and amounts for PLP lenders are included in the lender's Credit Management System.
 - Additional Loan or Advances.** In cases of a line of credit, the lender may make an emergency advance when a line of credit has reached its ceiling and additional funds are needed to prevent an imminent loss of crops or livestock that would take place if the emergency advance were not made. The lender must provide Agency with an analysis as required by Agency regulations.

PART E – SERVICING REQUIREMENTS (CONTINUED)

- c. Future Recovery. After a loan has been liquidated and a final loss claim has been paid by the Agency, any future funds which may be recovered from the borrower by the lender, will be pro-rated between the Agency and the lender.
- d. Bankruptcy. The lender is responsible for protecting the guaranteed loan debt and all collateral securing the loan in bankruptcy proceedings. Loss payments on bankruptcy cases will be processed according to the terms described in Agency regulations.
- e. Liquidation. Liquidations must receive prior Agency concurrence when required by regulations.
- f. Loss Claims. An estimated loss claim must be submitted by the lender no later than 150 days after the payment due date unless the account has been completely liquidated and then a final loss claim must be filed. Interest accrual will cease upon approval of the estimated loss and never later than 210 days from the payment due date. Estimated and final loss claims will be processed in accordance with the terms described in Agency regulations.

¹⁰ **Servicer** - If the lender contracts for servicing of guaranteed loans, the lender is not relieved of responsibility for proper servicing of the loans.

PART F – AGENCY REVIEWS OF LENDER'S OPERATIONS

The Agency may conduct reviews, including on-site reviews, of the lender's operations and the operations of any agent of the lender, for the purpose of verifying compliance with this agreement and Agency regulations and guidelines. These reviews may include, but are not limited to, audits of case files; interviews with owners, managers, and staff; audits of collateral; and inspections of the lender's and its agents underwriting, servicing, and liquidation guidelines. The lender and its agents shall provide access to all pertinent information to allow the Agency, or any party authorized by the Agency, to conduct such reviews.

PART G – CONFORMANCE TO STANDARDS

1. The lender shall conform to the standards outlined in this agreement and Agency regulations for participation in the Agency's guaranteed loan program. MLP, CLP and PLP must maintain compliance with the criteria set forth in 7 C.F.R. Part 762. The Agency shall determine lender adherence to the standards based on:

 - b. Satisfaction of the reporting requirements of the Agency;
 - c. Success in operating in a sound, prudent and businesslike manner;
 - d. Portfolio performance compared to overall performance of the Agency's guaranteed loan program; and
 - e. Results of on-site reviews of the underwriting and servicing performed by the lender.
2. **Determination of Non-Conformance** - The Agency shall carefully consider the circumstances and available facts in determining whether there is a pattern of lender non-conformance with applicable standards. The Agency shall determine the propriety of any decision made by the lender based on facts available at the time the specific action was taken. It is understood by the Agency and intended by this agreement that the lender has the authority to exercise reasonable judgement in performing acts within its authority. However, the Agency reserves the right to question any act performed or conclusion drawn that is inconsistent with this agreement or Agency regulations or prudent lending practices.
3. **Agency Action** - If the lender is determined to be in non-conformance with any Federal law, State law, Agency regulation, guideline, or the terms of this agreement, the Agency may take action in accordance with appropriate/governing laws and regulations.
4. **Lender Right of Appeal** - The Agency will provide the lender an opportunity to appeal adverse Agency actions in accordance with Agency regulations.

PART H – LIST OF AGENCY REGULATIONS AND GUIDELINES AND DESIGNATION OF LENDER AUTHORITY TO PERFORM CERTAIN ACTS

2. **Authority to Perform Certain Acts** -
 - a. Agency regulations describe the authorities and responsibilities for lenders. In addition, PLP lenders will process and service loans as described in their application for PLP status approved by the Agency. This application is described in the Credit Management System attached to this agreement. The lender further agrees to inform the Agency and obtain approval on changes to any policy or process described in the application for PLP status.
 - b. Lenders participating in electronic data submission with the Agency shall designate a Security Administrator to access the Agency's Guaranteed Loan System (GLS). The lender's Security Administrator will be certified to delegate access to other lender employees. The Security Administrator and all other lender employees who access must have completed the Agency's login requirements by obtaining an eAuthentication account with Level 2 Access. The lender agrees to immediately notify the Agency of such employees who have met these requirements and when any such employees terminate employment. The lender also agrees to notify the Agency in the event of any loss, theft or unauthorized disclosure or use of any user identification number or password. Individual user identification number and passwords may not be transferred between employees.

The lender will ensure that all supporting documentation required by the Agency be submitted to the appropriate offices, in a timely and accurate manner. All forms of data transmitted through electronic data submission are considered received on the date they are submitted. If, in the Agency's judgment, standard business cannot be conducted by electronic data submission, the Agency will, at its discretion and upon notice to the lender, return to paper-based systems.

1. **Duration and Termination**
 - a. **Duration of Agreement** - For MLP, CLP and PLP, the agreement is valid for five years unless terminated by the lender or the Agency as described below or revoked according to Agency regulations. The lender shall remain obligated to service and liquidate the guaranteed loans remaining in the portfolio unless and until the Agency or the lender transfers the loans. These requirements concerning loan management by the lender and rights of the Agency under this agreement shall remain in effect whether the agreement is terminated by the lender or Agency.
 - f. **Revocation of CLP or PLP status** - If the Agency revokes CLP or PLP status, loans made while the lender held this status must continue to be serviced under this agreement and according to Agency regulations applying to SELs or CLP, whichever status the lender then holds.
