I agree I will not reveal such confidential information, regardless of how or where I acquired it, to any person unless such person has been authorized by the cognizant Insight Project Director or Project Manager to have access to the information.

I further understand that the unauthorized access to, use of, or disclosure of any confidential information is a breach of the terms of my employment, or my consultant agreement with Insight, and may subject me to court action by any interested party or to other sanctions by Insight. I acknowledge that this agreement shall continue to bind me even after the project(s) is (are) completed and/or even though my employment or my consultant agreement with Insight has terminated.

Other than in the course of my authorized employment or my consultant agreement, I further agree that I will not use or facilitate the use of by any third party, in any way, any information deemed confidential by the terms of any contract or other written agreement between Insight and any other organization, except by written authorization by both parties. It is my understanding that Insight and the contracting organization(s) have the exclusive right to all information acquired or developed under such a contract or other written agreement. Nothing herein shall be construed to prevent divulgence of information to any court or governmental agency, provided such divulgence is required by law. However, if I am subpoenaed, or if I have reason to believe that I may be called upon to make such divulgence, I agree to notify the President of Insight promptly in writing and, upon his request, to cooperate in all lawful efforts to resist such divulgence.
