This module provides tools to identify Data Item Descriptions (DIDs) in ASSIST that have been cleared for use in defense contracts by the Office of Management and Budget (OMB) under the authority granted by Public Law 104-13, "Paperwork Reduction Act of 1995." OMB Control Number 0704-0188 has been assigned to each of the DIDs in ASSIST.

DID Search

Search the entire collection of DIDs indexed in ASSIST to find DIDs that satisfy the criteria and filters selected.

DID Selector

Use this tool to find DIDs that subject matter experts within each Military Department have identified for priority consideration and use in acquisition.

DSP Source Document Search

Generate a list of DSP documents in ASSIST that are cited by DIDs. Results may be filtered by Preparing Service or Activity and status of the cited DSP Source Document.
