 - a. Ask the child about the desired permanency outcome for the child.

b. Make a judicial determination explaining why, as of the date of the hearing, another planned permanent living arrangement is the best permanency plan for the child and provide compelling reasons why it continues to not be in the best interests of the child to—

i. return home;

ii. be placed for adoption;

iii. be placed with a legal guardian; or

iv. be placed with a fit and willing relative.

3. At each permanency hearing held with respect to the child, the State/Tribal agency shall document the steps the agency is taking to ensure that—

a. the child’s foster family home or child care institution is following the reasonable and prudent parent standard; and

b. the child has regular, ongoing opportunities to engage in age or developmentally appropriate activities (including by consulting with the child in an age-appropriate manner about the opportunities of the child to participate in the activities).

471(a)(35)(A)

3. Determining the **child's experiences while absent** from care, including screening the child to determine if the child is a possible sex trafficking victim, and
