According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB Control Number. The valid OMB control number for this information collections is 2132-0575. Public reporting burden for this collection of information is estimated to average 180 hours per response (application and reporting stage) for a total of 4,680 total annual burden hours; including gathering, preparing, and submitting the information to the FTA. The obligation to respond to this collection is required to obtain or retain benefit under the Emergency Relief Program (U.S.C. 5324). Any comments on the amount of time required to submit the information being collected and/or suggestions for reducing the burden of providing the requested information, should be sent to the: Information Collection Clearance Officer, Federal Transit Administration, 1200 New Jersey Avenue, SE, Washington, DC 20590.
