According to the Paperwork Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB Control Number. The valid OMB control number for this information collection is 2132-0577. Public reporting burden (application and reporting hours) for this collection is estimated to total 13,217 hours; including gathering, preparing, and submitting information to the Federal Transit Administration (FTA). The obligation to respond to this collection is required to obtain or retain benefit under the State of Good Repair Program (49 USC 5337). Any comments on the amount of time required to submit the information being collected and/or suggestion for reducing the burden of providing the requested information, should be sent to the: Information Collection Clearance Officer, Federal Transit Administration, 1200 New Jersey Avenue, SE, Washington, DC 20590.
