Click the link and download the file to a location of your choosing. Download speeds will vary based upon file size and your internet connection. A valid email address is necessary for electronic transfer. Total file transfers can be up to 5 GB. However, files of that size are typically separated into multiple, smaller files. Files will be available for 30 days from date of upload; downloads of the files should take place within that period. To ensure electronic receipt of your order, please add electronic.delivery@nara.gov to your trusted senders list. In some cases, certain email applications will move your reproduction orders to your spam box. Please monitor your spam box while awaiting your order.
