## Instructions For FSA 2037

## FARM BUSINESS PLAN WORKSHEET - Balance Sheet

This form is used to gather information on an applicant or borrower's assets and liabilities, to be used to make loan making and servicing decisions. The agency inputs the information provided in the Farm Business Plan.

Submit the original of the completed form in hard copy or facsimile to the appropriate USDA office.

Producers who have established electronic access credentials with USDA may electronically transmit this form to the USDA office, <u>provided</u> that the producer submitting the form is the only person required to sign the transaction.

Features for transmitting the form electronically are available to those producers with access credentials only. If you would like to establish online access credentials with USDA, follow the instructions provided at the USDA eForms web site.

## Producers must complete all Items.

Fld Name / Item No.	Instruction
1 Name	Enter the applicant's name.
2 Date of Balance Sheet	Enter the date of the balance sheet.
