### **§247.2 The purpose and scope of CSFP.**

(a) *How does CSFP help participants?* Through CSFP, the Department provides nutritious commodities to help State and local agencies meet the nutritional needs of low-income elderly persons. CSFP also helps State and local agencies meet the nutritional needs of women, infants, and children who were certified and receiving CSFP benefits as of February 6, 2014. Through local agencies, each participant receives a monthly package of commodities, based on food package guide rates developed by FNS, with input from State and local agencies. Food packages include such nutritious foods as canned fruits and vegetables, canned meat, poultry and other protein items, and grain products such as pasta, as well as other foods. Participants are offered the opportunity to receive nutrition education.

(b) *How many persons may be served in CSFP?* State agencies may serve eligible persons up to the caseload limit assigned to them by FNS. Caseload is the number of persons that may be served on an average monthly basis over the course of the caseload cycle, which extends from January 1 through the following December 31.

### **§247.3 Administering agencies.**

(a) *What agencies are responsible for administering CSFP?* CSFP is administered at the Federal level by the Department's Food and Nutrition Service (FNS), which provides commodities, assigns caseload, and allocates administrative funds to State agencies. State agencies are responsible for administering the program at the State level. The State agency may select local agencies to administer the program in local areas of the State. The State agency must provide guidance to local agencies on all aspects of program operations. The State agency may also select subdistributing agencies (e.g., another State agency, a local governmental agency, or a nonprofit organization) to distribute or store commodities, or to perform other program functions on behalf of the State agency. Local or subdistributing agencies may also select other agencies to perform specific program functions (e.g., food distribution or storage), with the State agency's approval. Although the State agency may select other organizations to perform specific activities, the State agency is ultimately responsible for all aspects of program administration.

(b) *Are there specific functions that the State agency cannot delegate to another agency?* Yes. The State agency may not delegate the performance of the following functions to another agency:

- (1) Establishing eligibility requirements, in accordance with the options provided to the State agency under §247.9; or
- (2) Establishing a management review system and conducting reviews of local agencies, in accordance with §247.34.

(c) *What Federal requirements must State, subdistributing, and local agencies follow in administering CSFP?* State, subdistributing, and local agencies must administer the program in accordance with the provisions of this part, and with the provisions contained in part 250 of this chapter, unless they are inconsistent with the provisions of this part.

### **§247.4 Agreements.**

(a) *What agreements are necessary for agencies to administer CSFP?* The following agreements are necessary for agencies to administer CSFP:

(1) *Agreements between FNS and State agencies.* Each State agency must enter into an agreement with FNS (Form FNS-74, the Federal-State Agreement) prior to receiving commodities or administrative funds;

(2) *Agreements between State agencies and local or subdistributing agencies.* The State agency must enter into written agreements with local or subdistributing agencies prior to making commodities or administrative funds available to them. The agreements must contain the information specified in paragraph (b) of this section. Agreements between State and local agencies must also contain the information specified in paragraph (c) of this section. Copies of all agreements must be kept on file by the parties to the agreements; and

(3) *Agreements between local and subdistributing agencies and other agencies.* The State agency must ensure that local and subdistributing agencies enter into written agreements with other agencies prior to making commodities or administrative funds available to these other agencies. The agreements must contain the information specified in paragraph (b) of this section. Copies of all agreements must be kept on file by the parties to the agreements.

(b) *What are the required contents of agreements?* All agreements described under paragraphs (a)(2) and (a)(3) of this section must contain the following:

(1) An assurance that each agency will administer the program in accordance with the provisions of this part and with the provisions of part 250 of this chapter, unless they are inconsistent with the provisions of this part;

(2) An assurance that each agency will maintain accurate and complete records for a period of three years from the close of the fiscal year to which they pertain, or longer if the records are related to unresolved claims actions, audits, or investigations;

(3) A statement that each agency receiving commodities for distribution is responsible for any loss resulting from improper distribution, or improper storage, care, or handling of commodities;

(4) A statement that each agency receiving program funds is responsible for any misuse of program funds;

(5) A description of the specific functions that the State, subdistributing, or local agency is delegating to another agency; and

(6) A statement specifying:

(i) That either party may terminate the agreement by written notice to the other; and

(ii) The minimum number of days of advance notice that must be given. (The advance notification period must be at least 30 days.)

(c) *What other assurances or information must be included in agreements between State and local agencies?* In addition to the requirements under paragraph (b) of this section, agreements between State and local agencies must contain the following:

(1) An assurance that the local agency will provide, or cause to be provided, nutrition education to participants, as required in §247.18;

(2) An assurance that the local agency will provide information to participants on other health, nutrition, and public assistance programs, and make referrals as appropriate, as required in §247.14;

(3) An assurance that the local agency will distribute commodities in accordance with the approved food package guide rate;

(4) An assurance that the local agency will take steps to prevent and detect dual participation, as required in §247.19;

(5) The names and addresses of all certification, distribution, and storage sites under the jurisdiction of the local agency; and

(6) An assurance that the local agency will not subject any person to discrimination under the program on the grounds of race, color, national origin, age, sex, or disability.

(d) *What is the duration of required agreements?* Agreements between FNS and State agencies are considered permanent, but may be amended at the initiation of State agencies or at the request of FNS. All amendments must be approved by FNS. The State agency establishes the duration of agreements it signs with local agencies or subdistributing agencies. The State agency may establish, or permit the local or subdistributing agency to establish, the duration of agreements between local or subdistributing agencies and other agencies. However, State and local agencies must comply with the requirements in §250.12(c) of this chapter when entering agreements with other entities.

#### **§247.6 State Plan.**

(a) *What is the State Plan?* The State Plan is a document that describes how the State agency will operate CSFP and the caseload needed to serve eligible applicants. The State agency must submit the State Plan to FNS for approval. Once submitted and approved, the State Plan is considered permanent, with amendments submitted at the State agency's initiative,

or at FNS request. All amendments are subject to FNS approval. The State Plan may be submitted in the format provided in FNS guidance, in an alternate format, or in combination with other documents required by Federal regulations. The State Plan must be signed by the State agency official responsible for program administration. A copy of the State Plan must be kept on file at the State agency for public inspection.

(b) *When must the State Plan be submitted?* The State Plan must be submitted by August 15 to take effect for the fiscal year beginning in the following October. FNS will provide notification of the approval or disapproval of the State Plan within 30 days of receipt, and will notify the State agency within 15 days of receipt if additional information is needed. (c) *What must be included in the State Plan?* The State Plan must include:

(1) The names and addresses of all local agencies and subdistributing agencies with which the State agency has entered into agreement;

(2) The income eligibility standards to be used for women, infants, and children, if applicable, and the options to be used relating to income or other eligibility requirements, as provided under §247.9;

(9) A description of the standards the State agency will use in determining if the pursuit of a claim against a participant is cost-effective;

(10) A description of the means by which the State will meet the needs of the homebound elderly; and

(11) Copies of all agreements entered into by the State agency.

(d) *When must the State agency submit amendments to the State Plan?* The State agency must submit amendments to FNS to reflect any changes in program operations or administration described in the State Plan, and to request additional caseload for the following caseload cycle. FNS may also require that the State Plan be amended to reflect changes in Federal law or policy. The State agency may submit amendments to the State Plan at any time during the fiscal year, for FNS approval. The amendments will take effect immediately upon approval, unless otherwise specified by FNS. If a State agency would like to receive additional caseload for the caseload cycle beginning the following January 1, it must submit an amendment to the Plan which conveys the request for additional caseload by November 5. ### **§247.7 Selection of local agencies.**

(a) *How does a local agency apply to participate in CSFP?* Local agencies wishing to participate in CSFP must submit a written application to the State agency. The application must describe how the local agency will operate the program and, for nonprofit agencies, must include the agency's tax-exempt status. To be eligible to participate in CSFP, a nonprofit agency must have tax-exempt status under the Internal Revenue Code (IRC), or have applied for tax-exempt status with the Internal Revenue Service (IRS), and be moving towards such status. Nonprofit agencies organized or operated exclusively for religious purposes are automatically tax-exempt under the IRC. Nonprofit agencies required to obtain tax-exempt status must provide documentation from the IRS that they have obtained such status, or have applied for it.

(b) *On what basis does the State agency make a decision on the local agency's application?* The State agency must approve or disapprove the local agency's application based on, at minimum, the following criteria:

(1) The ability of the local agency to operate the program in accordance with Federal and State requirements;

(2) The need for the program in the projected service area of the local agency;

(3) The resources available (caseload and funds) for initiating a program in the local area; and

(4) For nonprofit agencies, the tax-exempt status, with appropriate documentation.

(c) *What must the State agency do if a nonprofit agency approved for CSFP is subsequently denied tax-exempt status by the IRS, or does not obtain this status within a certain period of time?* In accordance with paragraph (a) of this section, the State agency may approve a nonprofit agency that has applied to the IRS for tax-exempt status, and is moving toward compliance with the requirements for recognition of tax-exempt status. However, if the IRS subsequently denies a participating agency's application for recognition of tax-exempt status, the agency must immediately notify the State agency of the denial. The State agency must terminate the agency's agreement and participation immediately upon notification. If documentation of recognition of tax-exempt status is not received within 180 days of the effective date of the agency's approval to participate in CSFP, the State agency must terminate the agency's participation until such time as recognition of tax-exempt status is obtained. However, the State agency may grant an extension of 90 days if the agency demonstrates that its inability to obtain tax-exempt status in the 180-day period is due to circumstances beyond its control.

(d) *How much time does the State agency have to make a decision on the local agency's application?* The State agency must inform the local agency of approval or denial of the application within 60 days of its receipt. If the application is denied, the State agency must provide a written explanation for the denial, along with notification of the local agency's right to appeal the decision, in accordance with §247.35. If the application is approved, the State and local agency must enter into an agreement in accordance with the requirements of §247.4.

#### **§247.8 Individuals applying to participate in CSFP.**

(a) *What information must individuals applying to participate in CSFP provide?* To apply for CSFP benefits, the applicant or caretaker of the applicant must provide the following information on the application:

(1) Name and address, including some form of identification for each applicant;

(2) Household income, except where the applicant is determined to be automatically eligible under §247.9(b)(1)(i) and (b)(1)(ii);

(3) Household size, except where the applicant is determined to be automatically eligible under §247.9(b)(1)(i) and (b)(1)(ii); and

(4) Other information related to eligibility, such as age.

(b) *What else is required on the application form?* The application form must include a nondiscrimination statement that informs the applicant that program standards are applied without discrimination by race, color, national origin, age, sex, or disability. After informing the applicant or caretaker of the applicant of his or her rights and responsibilities, in accordance with §247.12, the local agency must ensure that the applicant or caretaker signs the application form beneath the following pre-printed statement. The statement must be read by, or to, the applicant or caretaker before signing.

"This application is being completed in connection with the receipt of Federal assistance. Program officials may verify information on this form. I am aware that deliberate misrepresentation may subject me to prosecution under applicable State and Federal statutes. I am also aware that I may not receive both CSFP and WIC benefits simultaneously, and I may not receive CSFP benefits at more than one CSFP site at the same time. I have been advised of my rights and obligations under the program. I certify that the information I have provided for my eligibility determination is correct to the best of my knowledge.

#### **§247.9 Eligibility requirements.**

(a) *Who is eligible for CSFP?* To be eligible for CSFP, individuals must be at least 60 years of age and meet the income eligibility requirements outlined in paragraph (c) of this section; or the individual must be a woman, infant, or child who was

certified and receiving CSFP benefits as of February 6, 2014, and whose enrollment in CSFP has continued without interruption.

(b) *What are the income eligibility requirements for women, infants, and children?* (1) The State agency must establish household income limits that are at or below 185 percent of the Federal Poverty Income Guidelines published annually by the Department of Health and Human Services, but not below 100 percent of these guidelines. However, the State agency must accept as income-eligible, regardless of actual income, any applicant who is:

(i) Certified as eligible to receive food stamps under the Food Stamp Act of 1977 (7 U.S.C. 2011 *et seq.*), Temporary Assistance for Needy Families (TANF) under Part A of Title IV of the Social Security Act (42 U.S.C. 601 *et seq.*), or Medical Assistance (i.e., Medicaid) under Title XIX of the Social Security Act (42 U.S.C. 1396 *et seq.*); or

(ii) A member of a family that is certified eligible to receive assistance under TANF, or a member of a family in which a pregnant woman or an infant is certified eligible to receive assistance under Medicaid.

(2) The State agency may consider women, infants, and children participating in another Federal, State, or local food, health, or welfare program as automatically eligible for CSFP if the income eligibility limits for the program are equal to or lower than the established CSFP limits.

(3) For a pregnant woman, the State agency must count each embryo or fetus in utero as a household member in determining if the household meets the income eligibility standards.

(4) The eligibility requirements in this section apply only to women, infants, and children who were certified and receiving CSFP benefits as of February 6, 2014, and whose enrollment has continued without interruption. Effective February 7, 2014, no new applications from women, infants, or children may be approved.

(c) *What are the income eligibility requirements for elderly persons?* The State agency must use a household income limit at or below 130 percent of the Federal Poverty Income Guidelines. Elderly persons in households with income at or below this level must be considered eligible for CSFP benefits (assuming they meet other requirements contained in this part). However, elderly persons certified before September 17, 1986 (i.e., under the three elderly pilot projects) must remain subject to the eligibility criteria in effect at the time of their certification.

(d) *When must the State agency revise the CSFP income guidelines to reflect the annual adjustments of the Federal Poverty Income Guidelines?* Each year, FNS will notify State agencies, by memorandum, of adjusted income guidelines by household size at 185 percent, 130 percent, and 100 percent of the Federal Poverty Income Guidelines. The memorandum will reflect the annual adjustments to the Federal Poverty Income Guidelines issued by the Department of Health and Human Services. The State agency must implement the adjusted guidelines for elderly applicants immediately upon receipt of the memorandum. However, for the recertification of women, infants, and children, the State agency must implement the adjusted guidelines at the same time that the WIC agency implements the adjusted guidelines in WIC.

(e) *How is income defined and considered as it relates to CSFP eligibility?* (1) Income means gross income before deductions for such items as income taxes, employees' social security taxes, insurance premiums, and bonds.

(2) The State agency may exclude from consideration the following sources of income listed under the WIC regulations at §246.7(d)(2)(iv) of this chapter:

(i) Any basic allowance for housing received by military services personnel residing off military installations; and

(ii) The value of inkind housing and other inkind benefits.

(3) The State agency must exclude from consideration all income sources excluded by legislation, which are listed in §246.7(d)(2)(iv)(D) of this chapter. FNS will notify State agencies of any new forms of income excluded by statute through program policy memoranda.

(4) The State agency may authorize local agencies to consider the household's average income during the previous 12 months and current household income to determine which more accurately reflects the household's status. In instances in which the State makes the decision to authorize local agencies to determine a household's income in this manner, all local agencies must comply with the State's decision and apply this method of income determination in situations in which it is warranted.

(f) *What other options does the State agency have in establishing eligibility requirements for CSFP?* (1) The State agency may require that an individual be at nutritional risk, as determined by a physician or by local agency staff.

(ii) The local agency has sufficient reason to believe that the person still meets the income eligibility standards (e.g., the elderly person has a fixed income).

(b) *On what day of the final month does the certification period end?* The certification period extends to the final day of the month in which eligibility expires.

(c) *Does the certification period end when a participant moves from the local area in which he or she was receiving benefits?* No. The State agency must ensure that local agencies serve a CSFP participant who moves from another area to an area served by CSFP and whose certification period has not expired. The participant must be given the opportunity to continue to receive CSFP benefits for the duration of the certification period. If the local agency has a waiting list, the participant must be placed on its waiting list ahead of all other waiting applicants. The State agency may allow local agencies to share personnel and educational resources with other programs in order to provide the best nutrition education possible to participants. The State agency must establish an evaluation procedure to ensure that the nutrition education provided is effective. The evaluation procedure must include participant input and must be directed by a nutritionist or other qualified professional. The evaluation may be conducted by the State or local agency, or by another agency under agreement with the State or local agency.

(b) *What type of nutrition education must the local agency provide?* The local agency must provide nutrition education that can be easily understood by participants and is related to their nutritional needs and household situations. The local agency must provide nutrition education that includes the following information, which should account for specific ethnic and cultural characteristics whenever possible:

- (2) Nutritious ways to use CSFP foods;
- (3) Special nutritional needs of participants and how these needs may be met;

- (4) For pregnant and postpartum women, the benefits of breastfeeding;
- (5) The importance of health care, and the role nutrition plays in maintaining good health; and
- (6) The importance of the use of the foods by the participant to whom they are distributed, and not by another person.

(c) *To whom must local agencies provide nutrition education?* The local agency must make nutrition education available to all adult participants and, if applicable, to parents or caretakers of infant and child participants. Local agencies are encouraged to make nutrition education available to children, where appropriate.

#### **§247.19 Dual participation.**

(a) *What must State and local agencies do to prevent and detect dual participation?* Unless no women, infants, or children remain enrolled in the program, the State agency must work with the State WIC agency to develop a plan to prevent and detect dual participation, in accordance with an agreement signed by both agencies. The State agency must work with local agencies to prevent and detect dual participation. In accordance with §247.8(a)(1), the local agency must check the identification of all applicants when they are certified or recertified. In accordance with §247.8(b), the local agency must ensure that the applicant or caretaker of the applicant signs an application form which includes a statement advising the applicant that he or she may not receive CSFP benefits at more than one CSFP site at the same time.

(b) *What must the local agency do if a CSFP participant is found to be committing dual participation?* A participant found to be committing dual participation must be discontinued from one of the programs (WIC or CSFP), or from participation at more than one CSFP site. Whenever an individual's participation in CSFP is discontinued, the local agency must notify the individual of the discontinuance, in accordance with §247.17. The individual may appeal the discontinuance through the fair hearing process, in accordance with §247.33(a). In accordance with §247.20(b), if the dual participation resulted from the participant or caretaker of the participant making false or misleading statements, or intentionally withholding information, the local agency must disqualify the participant from CSFP, unless the local agency determines that disqualification would result in a serious health risk. The local agency must also initiate a claim against the participant to recover the value of CSFP benefits improperly received, in accordance with §247.30(c).

#### **§247.20 Program violations.**

(a) *What are program violations in CSFP?* Program violations are actions taken by CSFP applicants or participants, or caretakers of applicants or participants, to obtain or use CSFP benefits improperly. Program violations include the following actions:

- (1) Intentionally making false or misleading statements, orally or in writing;
- (2) Intentionally withholding information pertaining to eligibility in CSFP;
- (3) Selling commodities obtained in the program, or exchanging them for non-food items;
- (4) Physical abuse, or threat of physical abuse, of program staff; or
- (5) Committing dual participation.

(b) *What are the penalties for committing program violations?* If applicants or participants, or caretakers of applicants or participants, commit program violations, the State agency may require local agencies to disqualify the applicants or participants for a period of up to one year. However, if the local agency determines that disqualification would result in a serious health risk, the disqualification may be waived. For program violations that involve fraud, the State agency must require local agencies to disqualify the participant from CSFP for a period of up to one year, unless the local agency determines that disqualification would result in a serious health risk. The State agency must require local agencies to permanently disqualify a participant who commits three program violations that involve fraud. For purposes of this program, fraud includes:

- (1) Intentionally making false or misleading statements to obtain CSFP commodities;
- (2) Intentionally withholding information to obtain CSFP commodities; or

(3) Selling CSFP commodities, or exchanging them for non-food items.

(c) *What must the local agency do to notify the individual of disqualification from CSFP?* The local agency must provide the individual with written notification of disqualification from CSFP at least 15 days before the effective date of disqualification. #### **§247.21 Caseload assignment.**

(a) *How does FNS assign caseload to State agencies?* Each year, FNS assigns a caseload to each State agency to allow persons meeting the eligibility criteria listed under §247.9 to participate in the program, up to the caseload limit. To the extent that resources are available, FNS assigns caseload to State agencies in the following order:

(1) *Base caseload.* The State agency may not receive base caseload in excess of its total caseload assigned for the previous caseload cycle. Base caseload is determined in the following manner:

(i) Each State agency entering its second year of program participation receives base caseload equal to the amount assigned to it in its first year of participation; and

(ii) A State agency that has participated in two or more caseload cycles receives base caseload equal to the highest of:

(A) Average monthly participation for the previous fiscal year; or

(B) Average monthly participation for the last quarter of the previous fiscal year; or

(C) Participation during September of the previous fiscal year, but only if:

(1) The full-year appropriation for the preceding fiscal year was enacted on or after February 15; and

(2) The State agency received additional caseload equal to or greater than 10 percent of its base caseload in the previous caseload cycle; and

(3) October participation in the current fiscal year was equal to or greater than 95 percent of September participation in the previous fiscal year.

(2) *Additional caseload.* Each participating State agency may request additional caseload to increase program participation. Eligibility for and assignment of additional caseload are determined in the following manner:

(i) A State agency entering its second year of program participation qualifies to receive additional caseload if the State achieved a participation level which was equal to or greater than 95 percent of assigned caseload for the previous caseload cycle, based on the highest of:

(A) Average monthly participation for the previous fiscal year; or

(B) Average monthly participation for the last quarter of the previous fiscal year; or

(C) Participation during September of the previous fiscal year, but only if:

(1) The full-year appropriation for the preceding fiscal year was enacted on or after February 15; and

(2) October participation in the current fiscal year was equal to or greater than 95 percent of September participation in the previous fiscal year.

(ii) A State agency that has participated in two or more caseload cycles qualifies to receive additional caseload if the State achieved a participation level which was equal to or greater than 95 percent of assigned caseload for the previous caseload cycle, based on the highest of:

(A) Average monthly participation for the previous fiscal year; or

(B) Average monthly participation for the last quarter of the previous fiscal year; or

(C) Participation during September of the previous fiscal year, but only if:

(1) The full-year appropriation for the preceding fiscal year was enacted on or after February 15; and

(2) The State agency received additional caseload equal to or greater than 10 percent of its base caseload in the previous caseload cycle; and

(3) October participation in the current fiscal year was equal to or greater than 95 percent of September participation in the previous fiscal year.

(iii) Of each eligible State agency's request for additional caseload, FNS assigns an amount that it determines the State needs and can efficiently utilize. In making this determination, FNS considers the factors listed below, in descending order of importance. If all reasonable requests for additional caseload cannot be met, FNS assigns it to those States that are most likely to utilize it. The factors are:

- (A) The percentage of caseload utilized by the State in the previous fiscal year;
- (B) Program participation trends in the State in previous fiscal years; and
- (C) Other information provided by the State agency in support of the request.

(3) *New caseload.* Each State agency requesting to begin participation in the program, and with an approved State Plan, may receive caseload to serve the elderly, as requested in the State Plan. Of the State agency's caseload request, FNS assigns caseload in an amount that it determines the State needs and can efficiently utilize. This determination is made based on information contained in the State Plan and on other relevant information. However, if all caseload requests cannot be met, FNS will assign caseload to those States that are most likely to utilize it.

(b) *When does FNS assign caseload to State agencies?* FNS must assign caseload to State agencies by December 31 of each year, or within 30 days after enactment of appropriations legislation covering the full fiscal year, whichever comes later. Caseload assignments for the previous caseload cycle will remain in effect, subject to the availability of sufficient funding, until caseload assignments are made for the current caseload cycle.

(c) *How do State agencies request additional caseload for the next caseload cycle?* In accordance with §247.6(d), a State agency that would like additional caseload for the next caseload cycle (beginning the following January 1) must submit a request for additional caseload by November 5, as an amendment to the State Plan. The State agency must also describe plans for serving participants at new sites in this submission.

[70 FR 47063, Aug. 11, 2005, as amended at 75 FR 5879, Feb. 5, 2010; 79 FR 38751, July 9, 2014]

#### **§247.22 Allocation and disbursement of administrative funds to State agencies.**

(a) *What must State agencies do to be eligible to receive administrative funds?* In order to receive administrative funds, the State agency must have signed an agreement with FNS to operate the program, in accordance with §247.4(a)(1), and must have an approved State Plan.

(b) *How does FNS allocate administrative funds to State agencies?* (1) As required by law, each fiscal year FNS allocates to each State agency an administrative grant per assigned caseload slot, adjusted each year for inflation.

(2) For fiscal year 2003, the amount of the grant per assigned caseload slot was equal to the per-caseload slot amount provided in fiscal year 2001, adjusted by the percentage change between:

- (i) The value of the State and local government price index, as published by the Bureau of Economic Analysis of the Department of Commerce, for the 12-month period ending June 30, 2001; and
- (ii) The value of that index for the 12-month period ending June 30, 2002.

(3) For subsequent fiscal years, the amount of the grant per assigned caseload slot is equal to the amount of the grant per assigned caseload slot for the preceding fiscal year, adjusted by the percentage change between:

- (i) The value of the State and local government price index, as published by the Bureau of Economic Analysis of the Department of Commerce, for the 12-month period ending June 30 of the second preceding fiscal year; and
- (ii) The value of that index for the 12-month period ending June 30 of the preceding fiscal year.

(c) *How do State agencies access administrative funds?* FNS provides administrative funds to State agencies on a quarterly basis. Such funds are provided by means of a Letter of Credit, unless other funding arrangements have been made with FNS. The State agency obtains the funds by electronically accessing its Letter of Credit account.

### **§247.23 State provision of administrative funds to local agencies.**

(a) *How much of the administrative funds must State agencies provide to local agencies for their use?* The State agency must provide to local agencies for their use all administrative funds it receives, except that the State agency may retain for its own use the amount determined by the following formula:

- (1) 15 percent of the first \$50,000 received;
- (2) 10 percent of the next \$100,000 received;
- (3) 5 percent of the next \$250,000 received; and
- (4) A maximum of \$30,000, if the administrative grant exceeds \$400,000.

(b) *May a State agency request to retain more than the amount determined by the above formula in the event of special needs?* Yes, the State agency may request approval from FNS to retain a larger amount than is allowed under the formula prescribed in paragraph (a) of this section. However, in making its request, the State agency must provide justification of the need for the larger amount at the State level, and must ensure that local agencies will not suffer undue hardship as a result of a reduction in administrative funds.

(c) *How must the State agency distribute funds among local agencies?* The State agency must distribute funds among local agencies on the basis of their respective needs, and in a manner that ensures the funds will be used to achieve program objectives.

### **§247.24 Recovery and redistribution of caseload and administrative funds.**

(a) *May FNS recover and redistribute caseload and administrative funds assigned to a State agency?* Yes. FNS may recover and redistribute caseload and administrative funds assigned to a State agency during the fiscal year. FNS will redistribute these resources to other State agencies in accordance with the provisions of §§247.21(a) and 247.22(b). In reassigning caseload, FNS will use the most up-to-date data on participation and the extent to which caseload is being utilized, as well as other information provided by State agencies. In accordance with §247.21(a)(2), in instances in which FNS recovers caseload slots, the State agency must use 95 percent of its original caseload allocation to be eligible for additional caseload. However, the State agency must not exceed its reduced caseload allocation on an average monthly basis.

(b) *Is there a limit on the amount of caseload slots or administrative funds that FNS may recover?* Yes. FNS will not unilaterally recover caseload that would result in the recovery of more than 50 percent of the State's administrative funds. However, in instances in which the State agency requests that FNS recover any portion of its assigned caseload, the 50-percent limitation will not apply.

### **§247.25 Allowable uses of administrative funds and other funds.**

(a) *What are allowable uses of administrative funds provided to State and local agencies?* Administrative funds may be used for costs that are necessary to ensure the efficient and effective administration of the program, in accordance with 2 CFR part 200, subpart E and USDA implementing regulations 2 CFR part 400 and part 415, which set out the principles for determining whether specific costs are allowable. Some examples of allowable costs in CSFP include:

- (1) Storing, transporting, and distributing foods;
- (2) Determining the eligibility of program applicants;
- (3) Program outreach;
- (4) Nutrition education;
- (5) Audits and fair hearings;
- (6) Monitoring and review of program operations; and
- (7) Transportation of participants to and from the local agency, if necessary.

(b) *What are unallowable uses of administrative funds?* In addition to those costs determined to be unallowable by the principles contained in the OMB circulars referenced in paragraph (a) of this section, specific examples of unallowable uses of administrative funds in CSFP include:

- (1) The cost of alteration of facilities not required specifically for the program; and

(2) Actual losses which could have been covered by permissible insurance (through an approved self-insurance program or by other means).

(c) *What costs are allowable only with prior approval of FNS?* Capital expenditures, which include the acquisition of facilities or equipment, or enhancements to such capital assets, with a cost per unit of at least \$5,000, are allowable only with prior approval of FNS. Examples of equipment include automated information systems, automated data processing equipment, and other computer hardware and software.

(d) *What procedures must State and local agencies use in procuring property, equipment, or services with program funds, and disposing of such property or equipment?* The procedures that State and local agencies must follow in procuring property, equipment, or services with program funds, or disposing of such property or equipment, are contained in 2 CFR part 200, subpart E, and USDA implementing regulations 2 CFR parts 400 and 415, which set out the principles for determining whether specific costs are allowable. State, local, and Indian tribal governments must comply with 2 CFR part 200, subpart E, and USDA implementing regulations 2 CFR parts 400 and 415, while nonprofit subgrantees must comply with 2 CFR part 200, subpart E, and USDA implementing regulations 2 CFR parts 400 and 415. State and local agencies may use procurement procedures established by State and local regulations as long as these procedures do not conflict with Federal regulations. Federal regulations do not relieve State or local agencies from responsibilities established in contracts relating to procurement of property, equipment, or services. The State agency is the responsible authority regarding the settlement of all contractual and administrative issues arising out of procurements for the program.

(e) *What is program income and how must State and local agencies use it?* Program income is income directly generated from program activities. It includes, for example, income from the sale of packing containers or pallets, and the salvage of commodities. Program income does not include interest earned from administrative funds. State and local agencies must use program income for allowable program costs, in accordance with 2 CFR part 200, subpart E, and USDA implementing regulations 2 CFR parts 400 and 415.

(f) *How must State and local agencies use funds recovered as a result of claims actions?* The State agency must use funds recovered as a result of claims actions against subdistributing or local agencies in accordance with the provisions of §250.15(c) of this chapter. The State agency must use funds recovered as a result of claims actions against participants for allowable program costs. The State agency may authorize local agencies to use such funds for allowable program costs incurred at the local level.

#### **§247.30 Claims.**

(a) *What happens if a State or local agency misuses program funds?* If FNS determines that a State or local agency has misused program funds through negligence, fraud, theft, embezzlement, or other causes, FNS must initiate and pursue a claim

against the State agency to repay the amount of the misused funds. The State agency will be given the opportunity to contest the claim. The State agency is responsible for initiating and pursuing claims against subdistributing and local agencies if they misuse program funds.

(b) *What happens if a State or local agency misuses program commodities?* If a State or local agency misuses program commodities, FNS must initiate a claim against the State agency to recover the value of the misused commodities. The procedures for pursuing claims resulting from misuse of commodities are detailed in §250.15(c) of this chapter. Misused commodities include commodities improperly distributed or lost, spoiled, stolen, or damaged as a result of improper storage, care, or handling. For purposes of this program, fraud includes intentionally making false or misleading statements, or intentionally withholding information, to obtain CSFP commodities, or the selling or exchange of CSFP commodities for non-food items. The local agency must advise the participant of the opportunity to appeal the claim through the fair hearing process, in accordance with §247.33(a). The local agency must also disqualify the participant from CSFP for a period of up to one year, unless the local agency determines that disqualification would result in a serious health risk, in accordance with the requirements of §247.20(b).

(d) *What procedures must be used in pursuing claims against participants?* The State agency must establish standards, based on a cost-benefit review, for determining when the pursuit of a claim is cost-effective, and must ensure that local agencies use these standards in determining if a claim is to be pursued. In pursuing a claim against a participant, the local agency must:

(1) Issue a letter demanding repayment for the value of the commodities improperly received or used;

(2) If repayment is not made in a timely manner, take additional collection actions that are cost-effective, in accordance with the standards established by the State agency; and

(a) *What is a fair hearing?* A fair hearing is a process that allows a CSFP applicant or participant to appeal an adverse action, which may include the denial or discontinuance of program benefits, disqualification from the program, or a claim to repay the value of commodities received as a result of fraud. State and local agencies must ensure that CSFP applicants and participants understand their right to appeal an adverse action through the fair hearing process, which includes providing written notification of the individual's right to a fair hearing along with notification of the adverse action. Such notification is not required at the expiration of a certification period.

(b) *What are the basic requirements the State agency must follow in establishing procedures to be used in fair hearings?* The State agency must establish simple, clear, uniform rules of procedure to be used in fair hearings, including, at a minimum, the procedures outlined in this section. (3) The individual fails to appear, without good cause, for the scheduled hearing.

(f) *Does the request for a fair hearing have any effect on the receipt of CSFP benefits?* Participants who appeal the discontinuance of program benefits within the 15-day advance notification period required under §§247.17 and 247.20 must be permitted to continue to receive benefits until a decision on the appeal is made by the hearing official, or until the end of the participant's certification period, whichever occurs first. However, if the hearing decision finds that a participant received program benefits fraudulently, the local agency must include the value of benefits received during the time that the hearing was pending, as well as for any previous period, in its initiation and pursuit of a claim against the participant.

(g) *What notification must the State or local agency provide an individual in scheduling the hearing?* The State or local agency must provide an individual with at least 10 days' advance written notice of the time and place of the hearing, and must include the rules of procedure for the hearing.

(i) *Who is responsible for conducting the fair hearing, and what are the specific responsibilities of that person?* The fair hearing must be conducted by an impartial official who does not have any personal stake or involvement in the decision and who was not directly involved in the initial adverse action that resulted in the hearing. The hearing official is responsible for:

(1) Administering oaths or affirmations, as required by the State;

(2) Ensuring that all relevant issues are considered;

(3) Ensuring that all evidence necessary for a decision to be made is presented at the hearing, and included in the record of the hearing;

(4) Ensuring that the hearing is conducted in an orderly manner, in accordance with due process; and

(5) Making a hearing decision.

(j) *How is a hearing decision made?* The hearing official must make a decision that complies with Federal laws and regulations, and is based on the facts in the hearing record. In making the decision, the hearing official must summarize the facts of the case, specify the reasons for the decision, and identify the evidence supporting the decision and the laws or regulations that the decision upholds. The decision made by the hearing official is binding on the State or local agency.

(k) *What is the time limit for making a hearing decision and notifying the individual of the decision?* A hearing decision must be made, and the individual notified of the decision, in writing, within 45 days of the request for the hearing. The notification must include the reasons for the decision.

(l) *How does the hearing decision affect the individual's receipt of CSFP benefits?* If a hearing decision is in favor of an applicant who was denied CSFP benefits, the receipt of benefits must begin within 45 days from the date that the hearing was requested, if the applicant is still eligible for the program. If the hearing decision is against a participant, the State or local agency must discontinue benefits as soon as possible, or at a date determined by the hearing official.

(m) *What must be included in the hearing record?* In addition to the hearing decision, the hearing record must include a transcript or recording of testimony, or an official report of all that transpired at the hearing, along with all exhibits, papers, and requests made. (n) *What further steps may an individual take if a hearing decision is not in his or her favor?* If a hearing decision upholds the State or local agency's action, and a State-level review or rehearing process is available, the State or local agency must describe to the individual any State-level review or rehearing process. The State or local agency must also inform the individual of the right of the individual to pursue judicial review of the decision.
