

2020 Privacy and Confidentiality Evaluation
Addendum to Original Submission
Submitted Under Generic Clearance for Census Bureau Field Tests and Evaluations

Addendum: This memo is an addendum to research previously approved under the generic clearance for Census Bureau Field Tests and Evaluations (OMB #0607-0971). This approved package was titled “2020 Privacy and Confidentiality Evaluation of Web Response.”

Due to the global Covid-19 pandemic, in-field interviewers plan to ask additional questions of respondents in order to safeguard the health of themselves and respondents. The questions are based on guidelines from the Centers for Disease Control. Interviewers will not be recording answers to the specific health questions and will only use the information to decide how to proceed with an interview case. The questions are included here as Enclosure 1.

The following documents are included as attachments:

Enclosure I: COVID Screening Statement

The contact person for questions regarding data collection and the design of this research is listed below:
